### SHORTAGE IN ACCOUNTS

Seattle, Jan. 11.—A deficit of more than \$3,000 in the accounts of John J. Jensen, fugitive secretary of Milk Wagon Drivers' Local No. 66, was revealed yesterday by Dave Beck, north-west representative of the International Brotherhood of Teamsters, who is auditing Jensen's books. Jensen was also vice-president of the State Federation of Labor.

### ANNOUNCEMENTS

## BREAKS HUNGER STRIKE WITH A LARGE REPEAT

MRS. SMITH

Now, it makes no difference whether you are young or old, rich or poor, man or woman, or how long you have suffered, if you are afflicted with stomach, liver, kidney or bowel ailments, headaches, dizzy spells, catarrhal affections, constipation, indigestion, gas or sour stomach, loss of appetite, nervousness, unrefreshing sleep, rheumatic pains and weak, tired worn out feeling, this Husky stands ready to help and will not fail you.

One of the many cases that bring out the fine work being accomplished by "Husky" is related in the following statement made by Mrs. W. Smith, 617 Eleventh Avenue, West Calgary. She says:

"My health had been in a general run down condition for a long time. I suffered from stomach trouble, constipation and rheumatic pains. Catarrhal affections added to my misery. I had hardly any appetite and the little I did eat caused me to suffer bad after effects. I was in a weak and run down condition in general.

"I began taking 'Husky' when I heard of the fine work it was doing and I am mighty happy that I did. Thanks to this medicine, my health has improved wonderfully. The stomach trouble has been relieved and I can now eat heartily and not suffer bad after effects. The constipation has been relieved and I no longer suffer from those awful rheumatic pains that formerly afflicted me. The catarrhal trouble has also been relieved.

"If you don't feel well go to-day to MacFarlane's or any other well stocked drug store and get a bottle of

## TIMBER EXPORTS BIG DRAIN HERE, DICKIE ASSERTS

Canada Must Act to Halt Movement to United States, Says Member

It is time Canada took steps to curb the continual export of raw timber to the United States for manufacture into lumber and paper, C. H. Dickie, Member of Parliament for Nanaimo, declared in an address before the Saanich Conservative Association in the Campbell Building last night.

While he was opposed to raw timber export, Mr. Dickie said he would allow loggers a reasonable time, say a year and a half, to accustom themselves to drastic restrictions on export. He realized, he said, that it was not good because they had been cut and could not be marketed in this country. On the other hand, he believed there was a tendency to cut logs and then to raise the cry that they must go out of Canada or rot in the water. There should be regulations to avoid this condition, he thought. Camps which were being operated for export should be closed as quickly as was practicable, he said.

### PULPMOOD EXPORTS

Mr. Dickie declared Canada should awaken to the fact that its vast pulpmood resources were being exported to the United States, manufactured into paper there and then shipped back to this country. Instead they should be manufactured here for the benefit of Canadians, he urged.

Referring to the "appalling" waste in the timber industry he advocated the appointment of a research commission to find out means of putting the industry on a more economical basis.

### U.S. MAGAZINES

Colonel A. W. Wood, president of the association, raised the question of restricting the admission of United States magazines into Canada. He thought action in the way of import duties on imported magazines was needed. Mr. Dickie said that this question had been opened by Conservatives in the House of Commons every year and added: "If I had my way I would exclude ninety per cent of those periodicals coming in."

## PRISONER REFORMED BY OPERATIONS, SAY NEW YORK SURGEONS

New York, Jan. 11.—The surgeon's knife was credited to-day with having "reformed" Edward D. Lyle, twenty-three, who had been indicted almost a year ago for first-degree robbery and assault.

After undergoing one operation for sinus trouble, and another for the removal of his tonsils, the extraction of five abscessed teeth, and treatment for intestinal trouble and abnormal blood pressure, Lyle was permitted to plead guilty to a charge of petty larceny. He was remanded and may receive a suspended sentence.

Staten Island insurance broker, was arrested for stealing at the point of a gun a \$2,000 automobile. Physicians testified that a sinus trouble had caused partial cessation of the blood circulation in Lyle's brain, resulting in irresponsible criminal tendencies.

### FUR AUCTION SALES

Winnipeg, Jan. 11.—Buyers from Eastern and Western Canada and the United States yesterday attended the opening of the Winnipeg fur auction sales. Skunk pelts were 60c per coat higher, reaching a top of \$2.75; beaver, \$9; otter, \$3.75; wolverine, \$18; red fox, \$47.50, and fisher, \$115.

## REV. R. W. LEE IS RE-ELECTED SOCIETY HEAD

Annual Meeting of Royal Society of St. George Held Last Night; Officers Elected

Rev. R. W. Lee was re-elected president of the Royal Society of St. George at the annual meeting of that organization held last night.

Other officers, all of whom were elected with the unanimous voice of the membership, are as follows: Patron, His Honor R. Randolph Bruce, Lieutenant-Governor; honorary president, The Very Rev. C. S. Quainton, Dean of Columbia; Hon. E. D. Barrow, Minister of Agriculture for British Columbia; Alderman John H. Hays, first vice-president; Archdeacon C. P. Laycock, second vice-president; Harry Langley, third vice-president; treasurer, H. F. Bishop; honorary secretary, A. E. O. Cornwall; assistant secretary, W. O. Cockette; marshal, J. Howard Chapman.

Great interest is being taken in the new Chevrolet models now on display at the showrooms of the Beggs Motor Company, Victoria agents for this line of automobiles. The new cars arrived last Saturday and since that time hundreds of people have looked over the new line.

James Wood, manager of the Beggs Motor Company, stated this morning that numerous orders have already been received.

At present there are three of the new national models on display, namely, coupe, coach and one-ton truck. Altogether there are seven passenger models and two truck types. The factory is now in full production and delivery of all models is expected within the next ten days.

The bodies of the car are new and larger, and designed by Fisher. They are a combination of wood and steel construction. The car has distinctive big-car appearance, stressing beauty of line. The new honeycomb Harrison radiators are a big feature of the cars.

More speed can be secured with the new motor than is ever required. There is a possibility of securing well up to sixty-five miles an hour in the new car. It is still equipped with A.C. filters of improved type for cleaning both oil

and air. Plates have been placed over the valve push rods at the side of the motor to eliminate noise and dirt.

All models have one-piece deep full crown fenders of heavy gauge steel. Deep cushions, comfortable seats, trimming material pure worsted plush, rubber covered steel running boards, plated hood catches and hood handles, aluminium beading on the hood, steering and ignition lock, complete kit of tools.

The roof is domed similar to the Imperial Landau and the rear quarters of both Sedan and Coach have been rounded to give pleasing appearance. Instruments are grouped in one panel, oval in shape and indirectly lighted. The V V one piece windshield on the Imperial Landau and Cabriolet has been discontinued.

The crank case breathing system is of the latest design used on the more expensive cars, whereby the oil fumes from the crank case are drawn into the carburetor. This has a two-fold advantage over the former breathing system, namely, (1) Prevents the fumes from entering the interior of the car and (2) The fumes, which are of oil, pass into the combustion chamber and give excellent internal lubrication.

have on our list approximately 275 members, more than two-thirds of which are ladies.

Let us remember those who have passed to the great beyond. We re-member Mrs. W. B. Deaville, Mrs. W. B. Deaville, who occupied for many years an executive office in this society. Also Mr. W. B. Deaville, who held the office of honorary president of this organization some years ago. May we not remind ourselves at this time of the importance of the work which we are doing, that we may leave behind us an example and influence which death can not efface.

### COL. AMERY'S VISIT

Your secretary had the pleasure of listing to two addresses by the Rt. Hon. Mr. Amery on his visit here last week end, and took the opportunity, in your name, of extending to him greetings.

The treasurer, H. F. Bishop presented the financial statement, which showed that the society had practically consumed its entire funds in carrying on its work.

The honorary president, Dean C. S. Quainton, congratulated the society on its good showing, as evinced from the reports of the secretary and treasurer, and was sure that a successful year could be looked forward to, having regard to the strong board which had been elected to office.

Miss Ruth Hayman, secretary of the Ladies Auxiliary, presented the report of the auxiliary, which showed that the auxiliary had been active during the year in visiting the sick, distributing flowers, and caring for those in need.

Mrs. L. Lovatt in supplementing the report of the auxiliary, stated that the auxiliary had been active during the year in visiting the sick, distributing flowers, and caring for those in need.

It was announced that an old-fashioned concert and dance would be held at the home of Mrs. G. H. Moody, on Thursday of this week. Also that a New Year's dance and social would be given next Tuesday, in the Conservative Club room, with the singing of the National Anthem.

## GALLOWAY TELLS PROSPECTORS OF GEOLOGICAL SURVEY

Mining Leaders of City Hear Interesting Address By Mineralogist

Dr. J. D. Galloway, provincial mineralogist, lectured before the Vancouver Island Prospector's Association last night on the work of the Geological Survey of Canada.

After outlining the history of the work of the Geological Survey of Canada, Dr. Galloway stated that the determination of ore-production formations and possible extensions of mineralized zones to mining companies and prospectors, was the main object of the survey. He said that the main object of the survey was to determine the value of the geological survey in the making of the map, which is complementary to the map, but is complementary to the map, but is complementary to the map.

Dr. Galloway dealt with the personnel of the Geological Survey of Canada, telling how outstanding men on the survey have been sought by private individuals to carry on economic geological work. Among such he mentioned Dr. Baneroff, now professor at McGill University, who is employed in a special advisory capacity by the Canadian Mining and Smelting Company and by the Granby.

Under Dr. Brock, formerly of the Geological Survey, and then Deputy Minister of Mines at Ottawa, the geology department at the University of British Columbia has made a good start

## LATEST CHEVROLET MODEL HERE

## GREAT INTEREST SHOWN IN NEW CHEVROLET CARS

Three of "National Models" Now on Display at Beggs Motor Company's Garage Are Creating Favorable Comment

Great interest is being taken in the new Chevrolet models now on display at the showrooms of the Beggs Motor Company, Victoria agents for this line of automobiles. The new cars arrived last Saturday and since that time hundreds of people have looked over the new line.

James Wood, manager of the Beggs Motor Company, stated this morning that numerous orders have already been received.

the position of Deputy Minister of Mines at Ottawa, where he has shown marked ability and success.

Dr. Galloway showed a series of slides, illustrating the work of the Geological Survey in B.C.

R. F. Davy, president of the Victoria branch of the Engineering Institute, and W. S. Drewey moved and second the vote of thanks to Dr. Galloway. Thomas Colby, president of the Prospectors, presided. The meeting was attended by most of the mining leaders of the city.

## Charles Raine Is Again Elected to Lead Temple Band

Lawrence Lupton was last evening elected president of the Victoria City Temple Band organization at the annual banquet and election of officers held in Temple Hall.

C. Freagard was elected vice-president, George Bennett, secretary and Charles Fry, treasurer. Charles Raine will again lead the band assisted by David Townsend, who will also act as music monitor. Trustees will be William Kenyon and Frank Drysdale.

At the close of the election the guests at the banquet paid a standing tribute to the late Hector Munro, a member of the Temple Band who was accidentally killed some months ago. The newly-formed ladies' auxiliary, under the direction of Mrs. Fred Parsons, had charge of dinner arrangements, and Mrs. Thomas Hammond looked after the table decorations.

Dr. Clem Davies and A. L. Oakley, pastor and secretary of the City Temple, were guests of honor and spoke a few words of praise and encouragement to the members. Dr. Davies congratulated Charles Raine, the conductor, upon his capable management of the band.

Mr. Oakley told of the enthusiasm of the members of the band in their efforts to help out the temple. None of the members received any pay, although two and three rehearsals are held weekly. He furthermore stated that during the last year the band had played to some 200,000 people at various affairs.

## CREAM FOR CATARRH OPENS UP NOSTRILS

Tells How To Get Quick Relief from Head-Colds. It's Splendid!

In one minute your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more hawking, snuffing, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh will be gone.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh—Relief comes so quickly.

## MANITOBA FARMERS DISCUSS PROBLEMS

Proposals For Improvement in Conditions Considered at Annual Meeting

Portage la Prairie, Man., Jan. 11.—Problems of farm life and proposals for improved conditions are being considered at the annual meeting of the United Farmers of Manitoba, now in session here.

A. J. M. Poole, retiring president, in an address this forenoon said: "Through organization of the farmers of Manitoba, one of those voluntary agencies for human betterment which are so common and beneficial a feature of our modern democracy was brought into being. It has proved its worth through all the vicissitudes and varied changes of a quarter of a century and to-day it stands as a vital and indispensable function of our life—a function which it should be our most earnest and wholehearted endeavor to perpetuate."

The farmers' organization, set up in 1903, the speaker said, had characteristics that were exclusively its own. It was something apart from what to-day had come to be known as "class organizations" or an "occupational group."

**STEADY COURSE**  
In practice the principles advocated and objectives sought by the organization had seldom, if ever, been of the kind that might be termed extreme. Mr. Poole said it had not followed sudden whims of temper, nor yielded to the pressure of spasmodic turns of popular favor. The things it had done had been progressive rather than radical. Where advantages had been sought for the people on the land it had never been at the expense of other classes, but always with a cordial desire and purpose that all others might enjoy equal rights.

**VALUABLE AID**  
Mr. Poole paid a tribute to the achievements of the United Farm Women, who, he declared, formed an integral part of the organization to-day. The problems to which the women had applied themselves were not imaginary, but were vital to the community. "It is a simple fact that the women's work of the last ten years has on one hand set high standards for association work in the investigation of the concerns of everyday farm life," said Mr. Poole, "and on the other has conspicuously helped to emphasize the finest humanitarian, social and community aspects of the movements."

The first session of the meeting was held yesterday.

**PEACE RESOLUTION**  
The delegates directed a condemnation of the war against war and international discord. Following a review of peace efforts throughout the world during the past ten years, contained in a report presented by Mrs. T. W. McClelland of Letellier, Man., the convention endorsed a resolution supporting a campaign of education for peace and the promoting of a spirit of goodwill among nations of the world.

**ARRITRATION PLAN**  
The convention later placed itself on record in favor of Canada's adherence to the optional clause of the League of Nations protocol providing for the reference of all judicial disputes to the Permanent Court of International Justice.

Canada's right to declare war or her neutrality was questioned by one of the delegates.

"If Canada is governed primarily by the decision of the British Foreign Office in peace-time or war, it is not of great concern whether the optional clause obtains the approval of the Dominion," the delegate said.

The speaker was checked by the chairman, when it was pointed out that Empire relations were not under discussion.

**HANDLING OF POULTRY**  
On the recommendation of W. A. Landreth, president of the Manitoba Co-operative Poultry Marketing Association, a resolution was approved urging the Federal Government to establish regulations for the purchasing, handling and distributing of dressed poultry which will be fair to both the producers and consumers.

## LETTER CHARGE FAILS IN COURT

Concord, N.H., Jan. 11.—Fred H. Thompson, a Boston Post reporter, was found not guilty by a jury yesterday of a charge of having procured the larceny of a copy of a letter written by Governor Alfred Smith of New York for publication in The Atlantic Monthly.

Thompson was accused of having induced William E. Callahan, a former night watchman at the Rumford Press in this city, where The Atlantic Monthly is printed, to obtain a copy of the letter for him. In the letter Governor Smith discussed the position of any Roman Catholic who might be elected President of the United States.

## Care of Babies

This baby has never had a day's sickness and never a cross or fretful spell that lasted an hour. And what do you suppose is responsible for this healthy, happy condition? Not diet, for he has eaten just about anything and everything a child could eat. Not drugs, for he has not been dosed with opiates, he has never had a drop of paregoric. Nor has his sensible mother ever made him taste castor oil. Yet his nerves are sound and his little bowels are strong, and when he does seem the least restless or wakeful, or out of sorts—likely to be—his mother has him all serene again in ten or fifteen minutes! The secret of this complete freedom from the many ills and upsets so common to infants? Plain old-fashioned Castoria. A million and more mothers swear by Castoria, and no wonder! A few drops and an approaching fever, colic, diarrhoea or constipation seems to vanish in thin air. Castoria is purely vegetable; that is why physicians tell parents they may use it freely with children of any age—the youngest in-

## ARREST BASIS OF ARGUMENT IN SUIT

Court to Make Ruling in Vancouver on Claim of F. Higgins, K.C., Victoria Barrister

Vancouver, Jan. 11.—Written arguments on several legal points raised by both sides will be submitted by counsel before Mr. Justice Murphy hands down judgment before suit is tried before him in the Supreme Court here yesterday, in which Frank Higgins, K.C., barrister of Victoria, made a claim against Burckhardt, Charles MacDonald, Deputy Sheriff George W. Robertson and the Dominion Gresham Guarantee and Casualty Company for the alleged escape from custody of Frederick Otto Burckhardt of Seattle.

Burckhardt's detention was sought by Higgins on writ of capias on September 25, 1922.

The status Burckhardt was issued by Mr. Justice W. A. MacDonald. Burckhardt, who was a guest at a local hotel, escaped when he asked the deputy sheriff for permission to step into the adjoining room and discuss the matter with his brother, C. Burckhardt, who was also a guest at the hotel.

**LEFT HIS MONEY**  
Leaving a big sum of money, his watch, all his clothes and only partly dressed, Burckhardt stepped into the next room and was not seen again.

The claim was for \$3,242 for professional services and the amount was claimed by the plaintiff in the suit tried yesterday, with \$408.45 taxed costs added.

**ARREST ARGUED**  
One of the points argued yesterday by W. J. de la Parra, counsel for the sheriff and deputy sheriff, J. N. Ellis, K.C., for the casualty company, and G. H. Dorrell, counsel for the plaintiff, was as to whether an actual arrest had been effected before Burckhardt left the hotel room. It was contended by the defence counsel that mere words did not constitute an arrest and that instead of Burckhardt going with the deputy sheriff when the latter met him in the rotunda of the hotel, the deputy had accompanied Burckhardt to his room. Had Burckhardt gone with the deputy, it was admitted by counsel, that would have constituted an arrest.

**QUESTION OF IDENTITY**  
Another point raised was with regard to the identity of Burckhardt. Defence counsel urged it had not been shown the man spoken to by Robertson was F. O. Burckhardt and not his brother.

**SNYDER EXECUTION TO-MORROW NIGHT**  
(Continued on page 5)

Word of the Governor's decision, unless conveyed by their attorneys or relatives would be kept from the two condemned persons. Warden Lawes said. Their first intention was to go to the gallows, but when they were told of the appearance of the guards who would lead them from their cells at the last.

**STILL HOPES**  
Mrs. Snyder, expressing the belief that there is still time for something good to happen, spent to-day in bed.

Gray spent the forenoon talking with his wife, whom he saw for the third time since his arrest. Later Gray saw his mother and Rev. Dr. Anthony Peterson, a Protestant clergyman of Scarborough.

**WILL MADE BY GRAY**  
Gray has made a will giving his insurance and personal effects to his daughter, Jane.

Both Mrs. Snyder and Gray were laid at the prison to be in good health. Mrs. Snyder, who embraced the Roman Catholic faith after her conviction, received the sacraments which made her a communicant of the Roman Catholic Church. She had been receiving instructions in the faith from Father John McCaffrey, Catholic chaplain of Sing Sing. She formerly was a Lutheran.

Gray, a Protestant, will be accompanied at the last by a minister.

**GRAY'S REQUESTS**  
New York, Jan. 11.—Henry Judd Gray, under sentence to be executed Thursday night along with Mrs. Ruth Snyder for his part in the murder of her husband, Albert Snyder, has requested that the \$21 which constitutes all his remaining funds, be expended for the benefit of inmates of the death house of Sing Sing Prison who survive him.

He has asked that \$15 of the money be used to feast the other inmates of the death house.

In a note to Warden Lawes he requested the privilege of transferring to F. D. Baldwin, a friend, a negro also sentenced for murder, the other \$6, as "he has no one to help and this will keep him in cigarettes for the time at least."

Gray has willed his property to his wife and children.

**SENATE HAS BUT ONE VACANCY NOW**  
(Continued on page 1)

as a livestock breeder. He is also connected with other important businesses in London and Winnipeg, and has served the city of London as mayor and in other capacities. Mr. Little was defeated as a Federal Liberal candidate by Frank White, in 1925. His wife was Helen Gibson Weld, daughter of Edmund Weld, barrister of London. They have one son and one daughter.

**BORN IN QUEBEC**

Windsor, Ont., Jan. 11.—Dr. Gustave Lacasse, a new Ontario member of the Senate of Canada, has practiced in Quebec since 1913, when he graduated from the University of Montreal. He is the son of a French Canadian, having been elected by acclamation January 6, 1927, for a two-year term. He was born in St. Elizabeth, Que., in 1890, the son of Mr. and Mrs. Gustave Lacasse, his father being a notary public. He studied at the Montreal Seminary and Laval University, which became the University of Montreal. He was married in 1915 to Miss Marie Anne St. Pierre of Moose Creek, Ont., and the couple have five boys and four girls.

**SIX KILLED BY TRAIN**

Budapest, Jan. 11.—Six persons were killed yesterday when a freight train ran into hundreds waiting for a local train at the station at Rakoshagy, Hungary. The freight engineer, driving in an early morning fog, failed to see a warning signal and swept down the rails parallel to the station where the crowd was waiting. The station master and five travelers were found dead under the engine.

## THOMAS HARDY DIED TO-DAY

Dorchester, Eng., Jan. 11.—Thomas Hardy, the noted English novelist, died to-day. He was in high eighty-eight year.

## PARLIAMENT TO VOTE FUNDS FOR CANADIAN LEGATION IN PARIS

Ottawa, Jan. 11.—Premier King, speaking of the announcement in Paris that Canada would set up a legation in Paris and France would establish a legation in Ottawa, said:

"The Canadian Government considers that in view of the historic traditions which bind the two countries and of the increasing importance of the political as well as the trade interests of Canada in France and continental Europe generally, it is desirable to extend the scope of the work hitherto carried on by a commissioner-general of Canada in Paris by establishing a legation. The Government of France holds a corresponding view as to the establishment of a French legation in Canada."

**BEFORE PARLIAMENT**  
The Canadian Parliament will be asked to make provision for the establishment of the Canadian legation at an early date. The recommendation of the appointment of a Canadian Minister will be made subsequently.

Mr. King, in commenting on the new office, said it had been found in the past that Hon. Philippe Roy, Commissioner-General in France, had been hampered by not having the complete standing of a minister. These things meant a great deal in European diplomacy, and for Canada to have a minister in France would in a sense be like having a minister for all continental Europe. Mr. Roy's duties had taken him not only to the League of Nations but to most of the countries of Europe on trade or other matters. The move had been made, said the Prime Minister, with the full knowledge and hearty co-operation of the British Government.

## COUNCILLOR MILNE SPEAKS TO VOTERS AT TILlicum SCHOOL

A large audience of Ward Seven Saanich voters last night attended a meeting called by Councillor David Milne in Tillicum School, and gave him and other speakers an attentive hearing. Councillor Milne reviewed his actions on the Saanich Council during the last year, and upon conclusion of his address met with a barrage of criticism for having voted for taxation improvements. Chairman Camplin surrendered the chair to H. H. Grist to enable him to join in questioning Councillor Milne.

Reeve William Crouch also spoke briefly, reserving his chief address for the meeting scheduled for next Friday evening.

The three candidates for the council, G. S. Eden, H. Holmes and H. H. Grist, also spoke.

## Brazil Urged to Join World League

Rio de Janeiro, Jan. 11.—A declaration made by Rt. Hon. David Lloyd George, former Premier of Great Britain, during his recent visit here urging Brazil again to become a member of the League of Nations is widely commented on by local newspapers. The majority of the commentators favor the re-entry of Brazil.

## EMBASSY ACCIDENT CLAIM RULED OUT

(Continued from page 1)  
It was stated the automobile in question was an Embassy service car driven by a licensed British chauffeur. The car was registered in the Ambassador's name. Mr. Houghton was not in the car and it was stated at the Embassy that it was doubtful whether he was even aware of the accident because it was a minor matter which was handled as a routine affair.

**ASSISTANCE OFFERED**

The boy was said to have been riding his bicycle, using only one pedal, making it difficult to control, and was also carrying a big bundle. He was unseated in the collision and the chauffeur stopped to offer assistance. The boy, it was stated, appeared not to have been injured.

Embassy officials followed the case closely and called at the boy's home on the following day, but the parents insisted their son was not injured and that the chauffeur was not to blame. They were quoted as refusing to make a claim of any kind.

**CLAIM CAME AS SURPRISE**  
The incident was considered closed until some time later when, to the Embassy's surprise, the parents made a claim.

The Embassy decided to let an insurance company handle it. When the claim was pressed and Mr. Houghton was summoned to court an order was issued striking off the summons because the defendant was an Ambassador and therefore immune.

This action was accepted by the Embassy because of the investigation into the case as well as the insurance company's investigation.

## MARRIAGE CAUSE OF MUCH DISCUSSION

(Continued from page 1)  
at Indore for the marriage according to Hindu customs.

The former maharajah already has two wives.

London, British India, Jan. 11.—The London Evening News says Indrabai, second wife of the former Maharajah of Indore, is prostrated with grief at the news that her husband intends to marry Miss Nancy Miller of Seattle, Washington.

## Our January Clearance Sale

## Angus Campbell & Co. Ltd.

1008-10 GOVERNMENT STREET

that on learning the news of his approaching marriage she fainted. Later she returned to India, refusing food during the journey.

**DISAPPROVAL VOICED**  
The newspaper states it is reported from Indore that virtually no one in the state favors the marriage. It is understood overtures in behalf of the former maharajah made to the British political officials of Indore for their tacit approval of the marriage met with no encouragement whatever.

**Death of Dr. Cox Found Accidental**  
Vancouver, Jan. 11.—Attaching no blame to anyone, the jury at the inquiry into the circumstances surrounding the death of Dr. Harry Proctor Cox, who was fatally injured through a fall down the hold of the Ss. Eichelwolf at Lapointe Pier on Monday, returned a verdict of accidental death.

Dr. C. F. Brown, who was with Dr. Cox during the funigation of the vessel, testified that the operation was complete and Dr. Cox went to inspect the forward hold. A few minutes later a witness saw him lying at the bottom of the hatch, having apparently either been overcome by some fumes remaining in the vessel or having missed his footing while descending the ladder. The latter was believed to be the

most likely solution of the tragedy, Dr. Cox having sprained his ankle earlier in the day.

## CANADIAN MINISTERS

**PREMIER KING'S ANNOUNCEMENT**  
that negotiations are in progress between the Canadian and French Governments for the exchange of ministerial representatives will be received with satisfaction in both countries. The arrangement is desirable for many reasons. Their growing trade requires the most direct and efficient means of diplomatic communication. Canada, moreover, is related to France by racial and historical ties which profoundly affect the character of this country. Her earliest settlers were French, and at least one-third of our present population is of direct French extraction. We may take it for granted that the appointment of the Hon. Mr. Roy as Canada's minister to France and the appointment of a French minister to Canada will enhance the cordial relations between the two countries and greatly expand their commerce with one another.

The policy of appointing Canadian diplomatic representatives abroad was initiated by Sir Robert Borden in 1919, when the Canadian Parliament, on his motion, made provision for the installation of a Canadian minister at Washington. Parliament voted money for this purpose every year after that, but no appointment was made until recently, when Mr. Massey was sent to Washington. It was intimated the other day by Mr. Amery that he would take up with Mr. MacKenzie King the question of an exchange of ministers between Ottawa and London, and we have every reason to expect that following this discussion the Canadian High Commissioner to Britain will be raised to the status of a minister, and that a British ministerial representative will be appointed to Ottawa.

Since the declaration of the last Imperial Conference the association of the Dominions with Great Britain in the matter of diplomatic interchange has undergone a considerable alteration. Under the old order of things the Governor-General at Ottawa was the representative of the British Government and his status that of an Ambassador responsible to the Secretary of State for Colonial Affairs. This meant that the Dominion Government's communications to Downing Street were transmitted to him and by him to the Colonial Office. Now, however, as laid down in the Conference declarations, the Governor-General is the King's Deputy and not an officer of the British Government in Canada, and as such he is relieved of the routine which previously attached to his office. Communication between Ottawa and London is now directly between Government and Government.

This arrangement is a considerable improvement on the older one; but it now is being realized in both Ottawa and London that a more intimate method still is desirable through ministerial representatives. This would mean that in London there would be a minister of Canada who would be thoroughly familiar with Canadian affairs. A representative of Great Britain, conversant with the views and policies of the British Government, would be in personal touch with the Dominion Government at Ottawa. In this way matters involving trade and commerce, foreign relations, and all the intricate details associated with Canada's business within the Empire, could be disposed of in a much more effective manner.

At no distant date, of course, as this Dominion expands in trade and adds to its power and influence in the world, it will be necessary to appoint more ministers for the same reason that Mr. Massey was sent to Washington. It is primarily a matter of business. Cordial commercial relations, moreover, are one of the best guarantees against international misunderstandings and international conflict. Canada has an excellent example of how to preserve peace with a powerful nation in her trade relationships with the United States.

## OUR PULP AND PAPER

**COLONEL A. W. WOOD TOLD A GATH-**  
ering of Saanich Conservatives last night that it was ridiculous to have Canadian pulp going into the United States only to be shipped back in the form of paper at increased prices for use by Canadian publications.

Colonel Wood is away off on his facts. We ship no pulp to the United States that comes back to us in the form of paper for use in Canadian publications. We do manufacture in Canadian plants more newspaper than all the other countries of the world combined. It is such a large industry with us because the United States takes such an enormous amount of paper from us for its publications.

At the plant of the Powell River Company alone there is an investment of nearly \$30,000,000 employed in the manufacture of paper very largely for the Californian and Australian market.

We always understood that our Conservative friends insisted that we manufacture the raw product into the finished article before sending it out of the

country. This is what we are doing. We have done it so well to date that as a manufacturer of newsprint we have taken the lead which the United States held until 1925.

Another point our Conservative friends seem to forget is that if we are to establish these enormous manufacturing industries, we must have the raw material for their use. If that is used up faster than it can be replaced, they must put it down to the general demand for greater production.

## ENCOURAGE LOCAL CAPITAL

**THE CITY COUNCIL SHOULD MEET**  
the Gorge Vale Golf Club in the matter of its water supply.

Almost any sort of concession outside concerns ask for, and some concessions even they do not think of, are offered by our authorities; but when the Gorge Vale Golf Club seeks a low rate for its water it is turned down in short order.

This club has been launched with local capital. It has spent something like \$60,000 for the land it will occupy and has contracted for something like \$70,000 to turn it into a golf course. It is purely a home enterprise. It should be assisted and encouraged. The Council could come down from its perch on this question.

## MAYOR GRAY RE-ELECTED

**OUR CONSERVATIVE FRIENDS NO**  
doubt will note that Mayor Wells Gray has been re-elected by acclamation to the chief magistrate's chair in New Westminster.

This is the same Mr. Wells Gray who won the provincial seat of New Westminster for the MacLean Government last Summer by the largest majority ever recorded in a provincial contest in that constituency.

We mention these facts because they show that the people of the Royal City seem to know Mr. Wells Gray and his ability very well indeed. They do not believe in swapping horses in the middle of the stream.

Incidentally, of course, a municipal electorate composes voters of all shades of political opinion. Obviously Mayor Gray has the confidence of the public as a whole. He will be an acquisition to the Legislature.

## WHAT OTHER PAPERS SAY

### DANGEROUS SPEED

From The Toronto Star

A magistrate is reported as saying that anyone who drives at fifty miles per hour is nothing less than a potential murderer.

The fact is that on an open stretch of traffic-free highway a good car can be driven at fifty miles an hour with no danger to anything except the laws of Ontario.

On the other hand, a man who drives at fifty miles an hour in heavy traffic is what the magistrate says he is. And there are situations in which a speed of only twenty miles an hour justifies the same characterization. Traffic safety is not altogether a matter of speed. It is a matter of watchfulness and the adaptation of speed to circumstances.

It cannot be said too often that even moderate speed may be a violation of the law if the circumstances are such that this speed endangers life or property.

## The Art of Waiting

By GLENN FRANK

Former editor of The Century Magazine

(Copyright)

This is not a political essay, despite the fact that it takes the silence of Calvin Coolidge as its point of departure.

Mr. Coolidge has been damned by his opponents and deified by his supporters for his non-talkativeness.

His opponents interpret his slowness to speak as weakness.

His supporters interpret his slowness to speak as strength.

I do not want here to attempt a judgment upon Mr. Coolidge, but merely to point out the fact that there is an effective art of waiting that public leaders often ignore.

In the seventeenth century a Spanish Jesuit, Baltasar Gracian by name, wrote a book called *Oraculo Manual*, in which he commented upon this art of waiting. Out of this volume I cull these scattered sentences:

"If you do not declare yourself immediately, you arouse expectation, especially when the importance of your position makes you the object of general attention. Mix a little mystery with everything, and the very mystery arouses veneration. And when you explain, be not too explicit."

A resolution declared is never highly thought of; it only leaves room for criticism. And if it happens to fail, you are doubly unfortunate."

In another place, Gracian argues the wisdom of letting most things alone.

"Remedies often make diseases worse. It takes a wise doctor to know when not to prescribe, and at times the greater skill consists in not applying remedies. The proper way to still the storms of the vulgar is to hold your hand and let them calm down of themselves."

A fountain gets muddy with its meddling with it, but by our leaving it alone. The best remedy for disturbances is to let them run their course, for so they quiet down."

"Time's crutch effects more than the iron club of Hercules. . . . Fortune herself rewards waiting with her first prize."

And it is possible that, early in life, Mr. Coolidge read this suggestion in the *Oraculo Manual*:

"Talk as if you were making your will; the fewer words the less litigation."

It is an ancient adage that most letters are as well answered by the passing of time as by the pounding of a typewriter. And it is true that most of us burn out our lives dealing with situations and issues that would settle down or solve themselves if they were but left alone for a time; but we have a passion for making decisions and leaving bulletins.

There is an art of waiting.

## A THOUGHT

The laborer is worthy of his reward.—I. Tim. v. 18.  
If you want knowledge, you must toil for it; if food, you must toil for it; and if pleasure, you must toil for it; toil is the law.—Ruskin.

## DO YOU KNOW—

That April, the fourth month of our year was the second month of the ancient Romans. Authorities differ as to the origin of the name, but it is possible that April was originally Aphrilis, from Aphrodite, the Greek name of Venus.

## Life's Niceties

Hints On Etiquette

- 1—If you break a dish, when visiting, what should you do?
- 2—If one is broken at your house should you object to its replacement?
- 3—If a servant breaks one, should he be held responsible?

THE ANSWERS

- 1—Replace it, if you have to hunt all over town.
- 2—No.
- 3—A matter of personal decision.

for Canadian citizenship. "We get the weakness of both sides and not the strength of either," Judge Grant said. "In your country you would lose caste for marrying an Anglo-Saxon, and your wife here would lose caste for marrying a Japanese." Judge Grant said he recognized the Japanese were all industrious people and gave little trouble as far as the law was concerned.

## DESPITE STORMS, SCIENTISTS HUNT EGGS OF HALIBUT

Daring Search Under Way Off Alaska Coast to Trace Fish's Life History

New Boat Chartered by Commission to Continue Scientific Research

Off the storm-swept coast of Alaska, where continual gales have made shipping seek refuge in harbors, scientists of the International Fisheries Commission are recommending their search for the life habits of the Pacific coast halibut. Despite all difficulties, the halibut vessel Dorothy, chartered by the commission, is dredging new fishing banks to find the tiny eggs of the halibut, far down in the depths of the ocean, according to advice received by John P. Babcock, Chairman of the Commission here.

COVER NEW BANKS

Having constructed a thorough survey of other halibut banks before their first ship, the Scandia, pounded herself to pieces on a reef, scientists employed by the commission have moved to western Alaskan waters. There they are operating on the Dorothy, probably the best ship in the halibut fleet. While thousands of halibut have been tagged to trace their racial movements in the sea, the main work of the investigators now consists in fishing for halibut eggs and larvae with elaborate gear specially designed for the purpose. Although a halibut egg is about as large as a pin-head and roams about the sea at a great depth, large numbers are secured and studied by scientists in the hope of revealing the little-known life history of the great food fish. On such information the commission will base its recommendations to the Canadian government for the conservation of the halibut herds now dwindling rapidly.

TO CONTINUE WORK

The Dorothy's operations will be continued during the present closed season and during the fishing season which will open on February 16, despite adverse weather conditions. It is expected the first report of the Fisheries Commission, recommending methods of conserving the halibut, will be filed shortly and made public in Ottawa and Washington simultaneously.

## Von Elm May Turn Pro and Tour U.S. Under Jack Kearns

Los Angeles, Jan. 11.—George Von Elm, former national amateur golf champion, is considering a professional and tour the country under the banner of Jack Kearns, prize fight manager.

## Harmony Girls Come To Life When Behind Question Here!

In the Intermediate Girls' Sunday School Basketball League, Christ Church and Harmony met at the First United gymnasium last night and after a good game the Harmony came out on top by the score of 16-21.

The losers started off with a great burst of speed and were leading 8-0 before the Harmony woke up the hands and feet.

The line-ups were: 10. K. Appleyard, 6. H. Baylis, 8. S. Glolma, 6. Seattle.

Harmony—G. Frisell, V. Foubister, B. L. Foubister, 18. K. Matthews, 2. G. Godwin, G. Stipe, A. Hall, A. Wood.

## Canada Now Launched On Greatest Era of Expansion, Money Flows In, Says Dickie

Canada is at the start of the greatest period of mining expansion this continent has ever seen, according to H. Dickie, M.P. for Nanaimo, who is in Victoria to-day. He will be returning to Ottawa at the end of the month for the session of the House of Commons.

"The Toronto participation in mining investments is wonderful," Mr. Dickie said. "Even small-salaried clerks and store girls there have got the fever and are buying a few shares to participate in the general appreciation of Canadian mining properties. Everybody there is talking of mining, and many persons have already made fortunes in the rice which have taken place."

"Canada has begun its greatest era of expansion. Money is beginning to flow in from outside countries for investment here, because opportunities here are still untouched. People of United States now realize that the greatest opportunities for profitable investments are now in Canada."

"Our gold production is passing that of United States and I now believe that we in British Columbia are to have the next big gold producer of the world as a result of the striking developments which have taken place in the new Georgia River camp and what has been shown up there."

B.C. TO HAVE SECOND HOLLINGER

Confirming Mr. Dickie's forecast of

British Columbia having another Georgia River camp, the development of the Hollinger in the development of the Georgia River camp has arrived at the Hotel Strathcona. B. O. Erickson, veteran prospector of the north and himself the discoverer of several mines which have now become notable. "British Columbia's new Georgia River camp is going to furnish Canada with one of the mining sensations of the year," Mr. Erickson said. "It is one of the greatest gold fields in the country and will be a great wealth producer now that it is to be developed on a large scale."

SEES BOOM IN NORTH

Mr. Erickson is heavily interested in the Upper Bear River section, where the Consolidated Mining and Smelting Company of Canada is developing the Georgia River mine. He said that the railway is now going ahead up the Bear River from Stewart and that its construction and the development of the mine will bring the greatest boom the north has ever experienced.

Mr. Erickson said that he likely would spend several weeks in Victoria between now and the time he goes north when the Spring season opens. His winter home is in Seattle, but he said to-day that he and Mrs. Erickson would likely construct a winter home in one of the beautiful residential parts of Victoria.

ability of Esquimalt as the best industrial area of Greater Victoria, at the same time providing work for our citizens of to-day and the future.

Now voters use their own intelligence this year, and after the election have the feeling that you have selected your own from the best candidates offered for your choice.

J. E. HODGSON.

January 10, 1928.

## Lieut.-Governor Becomes Patron Of Boy Scouts

His Honor, Lieutenant-Governor R. R. Bruce has graciously accepted the position of Provincial Patron of the Boy Scouts Association. It is announced, Lord Willingdon, Governor-General of the Dominion and Chief Scout for Canada, yesterday notified the Lieutenant-Governor that at the recent annual meeting of the Provincial Council of the Association, it was unanimously agreed to request His Honor to accept the position of Patron of the Province. Lord Willingdon expressed

## WONDERFUL YEAR OF SERVICE ACHIEVED BY V.O.N. NURSES

Nursed 1,373 Cases and Paid 10,129 Visits Last Year, Reports Show

A wonderful record of community service including not only bedside nursing in homes where, for various reasons, the patients are unable to attend hospital, but an immeasurable achievement along the lines of instructional service, lies to the credit of the nurses of the local branch of the Victorian Order of Nurses. At the annual meeting of the board, held yesterday afternoon at the home of the president, Mrs. H. G. Lawson, the reports were given for the year and between the lines of the somewhat statistical statements, one could read the story of a ceaseless devotion to the cause of suffering humanity and a cheery willingness to render service at any hour of the day or night.

### PAID 10,129 VISITS

With only five nurses, the local branch nursed 1,373 cases during the year, the nurses making a total of 10,129 visits, many of which, as the president pointed out, were of one, two, or three hours and sometimes all night duration in confinement and similar cases. Of these visits 5,660 were actual nursing bedside visits, while 4,469 were instructive educational visits. There were 439 pre-natal visits and eighty-five confinement cases. Of the total visits, 6,762 were made free of charge, 3,367 were paid for by the Metropolitan Insurance Company, and 341 were paid, or partly paid for by the patients themselves.

Mrs. Lawson, the president, noted with satisfaction the substantial balance lying to the credit of the branch, and took occasion to voice the great regret of the board at losing the services of Mrs. G. D. Christie who retired from the trusteeship after seventeen years in that office. She also spoke in commendation of the classes in mothercraft conducted by Miss Thorne, the head nurse, among the C.G.I.T. groups, one of the latest ramifications of the order's work. Thanks were expressed to the many friends of the order who had given it support throughout the year, and also to the nurses and board members for their co-operation.

### DEVOTION TO DUTY

Mrs. W. L. Morkill, the secretary, stated that during the year nine new members had been added to the board, making a total of fifty-six. She went on: "Reading between the lines of Miss Thorne's report, we realize the absolute devotion to duty which animates all our faithful nurses, and sends them in every sort of weather, at any hour of day or night, and into every class of home, to carry comfort and help to those in pain, and our heartfelt thanks go to them all and to Miss Stead for their splendid service. The V.O.N. nurses had assisted at the examinations of the more than 900 children who had passed through the well-baby clinics conducted by the health officer, Dr. Price. Miss Thorne and Miss Bencie had seventy girls in their mothercraft classes, C.G.I.T. and Girl Guides.

A new work to which the order has committed itself during the year is to the care of discharged Solutum patients in their homes, this being at the request of Dr. Wace. The board had received signed photographs of their Excellencies Lord and Lady Willingdon, following the visit of Her Excellency to the well-baby clinic last February. The statement of receipts and expenditures, read by Mrs. Christie, showed receipts amounting to \$9,651.73, while the total handled during the year was \$11,108.71. Fees from patients amounted to \$1,398.62; from Metropolitan Life Insurance Company, \$2,206.06; from the W.B.A. of the Maccaes, \$37.75. Grants from the Provincial Government, City, Oak Bay, Esquimalt and for the T.B. nurse totalled \$2,350.

### OFFICERS CHOSEN

Mrs. H. G. Lawson was re-elected president by acclamation; Mrs. C. E. Phillips being again elected to the honorary presidency. Other officers: Secretary, Mrs. W. L. Morkill; treasurer, Mrs. Norman Yarrow; first vice-president, Miss Oldfield; second vice-president, Mrs. John Harper; third vice-president, Mrs. J. B. Clearhouse. Dr. A. G. Price, City Health Officer, paid a warm tribute to the work of the nurses, whose excellent community service was reflected in the raised health standards and the lower infant mortality in the city. Stating that medicine knew neither race nor creed, he hoped that at some not too distant date the V.O.N. would be able to appoint a nurse, either an Oriental or one specially trained, to work among the Orientals with a view to reducing the present high infant mortality.

Alderman P. R. Brown also congratulated the V.O.N. upon its splendid work "done with patience and a fine loving touch." As chairman of the city's finance committee he realized that the city was facing a difficult year, but he was hopeful that they would be able to remember that something was due to the unfortunate members of the community represented in the work done by the V.O.N.

Pupils' Recital—The pupils of Miss Audrey Wood, L.A.B., gave a pleasant recital on Saturday evening at her studio, 1620 Belmont Avenue, to which an interested audience of parents and friends listened with great appreciation. There were fourteen pupils on the programme, all of which were rendered with fine interpretation and technique. The numbers deserving special mention were those played by a piano solo, a young student of great promise, Howard Parfitt, and four short pieces by Wallis Carroll, played by Graham McCall from memory after only six months' tuition. Norman Parfitt, another young student, gained much applause, and the duets played by Howard and Norman Parfitt were much appreciated, being exceptionally good in time and rhythm. The serving of refreshments brought an enjoyable evening to a close.

## WOMEN'S AFFAIRS

## SEATTLE 'CELLIST TO AID SCHUBERT CLUB

George C. Kirchner, solo 'cellist of the Seattle Philharmonic Orchestra and member of the Spargur Quartette, will be one of the assisting artists at the concert to be given by the Schubert Club on Tuesday next in the Empress Hotel. The concert is to be under the auspices of the Kuntz Club, and holders of season tickets for the Schubert Club are asked to note that this event is not included in those tickets, but is in the nature of an extra recital.

Mr. Kirchner has been described by a critic as "one of the best schooled and most thoroughly artistic musicians of the northwest." Another critic said of his playing: "Mr. Kirchner's skill and virtuosity were brought into view in the superb concerto by Saint Saens with which he opened the programme. Purity of tone and smooth intonation marked his playing of the melodic passages while his dexterity and facility commanded admiration in the more brilliant movements of the concerto. Mr. Kirchner's sincerity in his interpretation, his utter lack of affectation and the artistic temperament shown in his work admirable and authentic." In addition to the choruses and negro spirituals of the Schubert Club, the programme will also include vocal numbers by Miss Edith Howell, a young singer who is to make her debut after several years of hard study.

Tickets for next Tuesday's recital may be obtained of members of the Kuntz Club or at Fletcher Bros. St. Mark's Dance—A fancy dress dance and card party will be given, with refreshments, under the auspices of the W.A. in St. Mark's Hall, Boleskine Road, on Friday, January 13, at 8 p.m.

Additional Society News on Page 7

Mrs. Joseph St. Mars of Winnipeg arrived in Victoria yesterday, and is a guest at the Empress Hotel.

Mrs. Ray Castle, accompanied by her baby and nurse, left today on the R.M.S. Aorangi for Honolulu to spend several months there.

Mr. and Mrs. McArthur and Miss Gertrude Snider have returned to their home in Victoria after having spent a few weeks in California.

Mr. and Mrs. H. P. Bagley of Poul Bay Road, will leave this evening on the R.M.S. Aorangi for a holiday trip to Honolulu.

Mr. and Mrs. J. R. Westcott, Gladstone Avenue, who have been spending the last few weeks in Vancouver as the guests of the hostess, Mrs. H. P. Bagley, Dr. and Mrs. Virgil Westcott, returned to Victoria on Sunday.

Mrs. Storie and Mrs. Wakeman gave a delightful farewell party last Thursday at the Harmony Hall in honor of Mr. and Mrs. W. Brownjohn, who have left to take up their residence in England. During the evening their many friends presented them with a handsome traveling bag. Refreshments were indulged in to the early hours.

Mr. E. Irwin, superintendent of the Ontario Equitable Life and Accident Insurance Company, Waterloo, Ontario, accompanied by Mrs. Irwin, has arrived in Victoria to spend several months here. They have taken a home in Oak Bay for the time they will be visitors in Victoria. Mr. A. Mooney of Vancouver, provincial manager for the same company, is spending a few days in Victoria.

Mrs. C. F. Armstrong and Mrs. Drislott entertained a dinner party at their home on York Place last evening in honor of Mr. and Mrs. C. Weldon of Mexico City. Other guests included Mr. and Mrs. Carey Martin, Mr. and Mrs. Herbert J. Wilson, Mr. and Mrs. J. W. Spencer, Mrs. J. Walker (Winnipeg), Dr. George Hall, Dr. J. A. Stewart and Major J. Wise.

Many applications for tables are being received for the annual bridge and mah jong party which the Women's Canadian Club will hold at the Amphion Hall, over the former Gordon's store, Yates Street, on Tuesday next, January 17, at 2:45 p.m. Table reservations may be made to Mrs. H. F. Crose, the secretary, at 2348, or to any member of the executive. Additional guests will be welcomed at the tea hour.

The Uplands Golf Club will hold their annual ball on Friday, February 3, at the Crystal Garden. The committee appointed at the last meeting of the directors to make necessary arrangements has reached an agreement with the management of the Crystal Garden under the terms of which a special programme of dance music will be provided from 9 p.m. to 2 a.m. The floor will be given special attention and refreshments will be served. The members and their friends are assured that this year's ball will be one of the best ever held under the club's auspices.

Mrs. L. S. Amery was guest of honor at dinner Monday evening when Mrs. H. Weldon Cook and Mrs. E. Bennett entertained about forty guests at the Hotel Vancouver. The oval room, which was chosen for the affair, was profusely decorated with palms and ferns, with the table arranged in a hollow square surrounding a bank of ferns and flowers, with a spraying fountain in the centre. Pink roses, narcissus and yellow daffodils interspersed with lighted tapers decorated the table. Mrs. Amery wore for the occasion a striking gown of red lace caught at the shoulder with a diamond ornament.

## MRS. G. D. CHRISTIE HONORED BY V.O.N.

Mrs. G. D. Christie, who has retired from the trusteeship of the Victorian Order of Nurses after seventeen years in that office, was presented with a very handsome pierced silver salver, suitably inscribed, at the annual meeting yesterday afternoon, Mrs. C. E. Phillips, the honorary president, making the presentation. A letter accompanying the gift, and signed by all the members of the board, read: "It is extremely difficult for us to convey to you our appreciation of the wonderful service you have given to the Victorian Order of Nurses for so many years, and more difficult still to express the reluctance and deep regret we feel in agreeing with your announcement, made at the last general meeting, that you must be relieved from your duties as treasurer at the end of the year. As a high expression of our warm regard we ask you to accept from us this tray, and we hope that its daily use will be a daily reminder of your association in the work of the V.O.N."

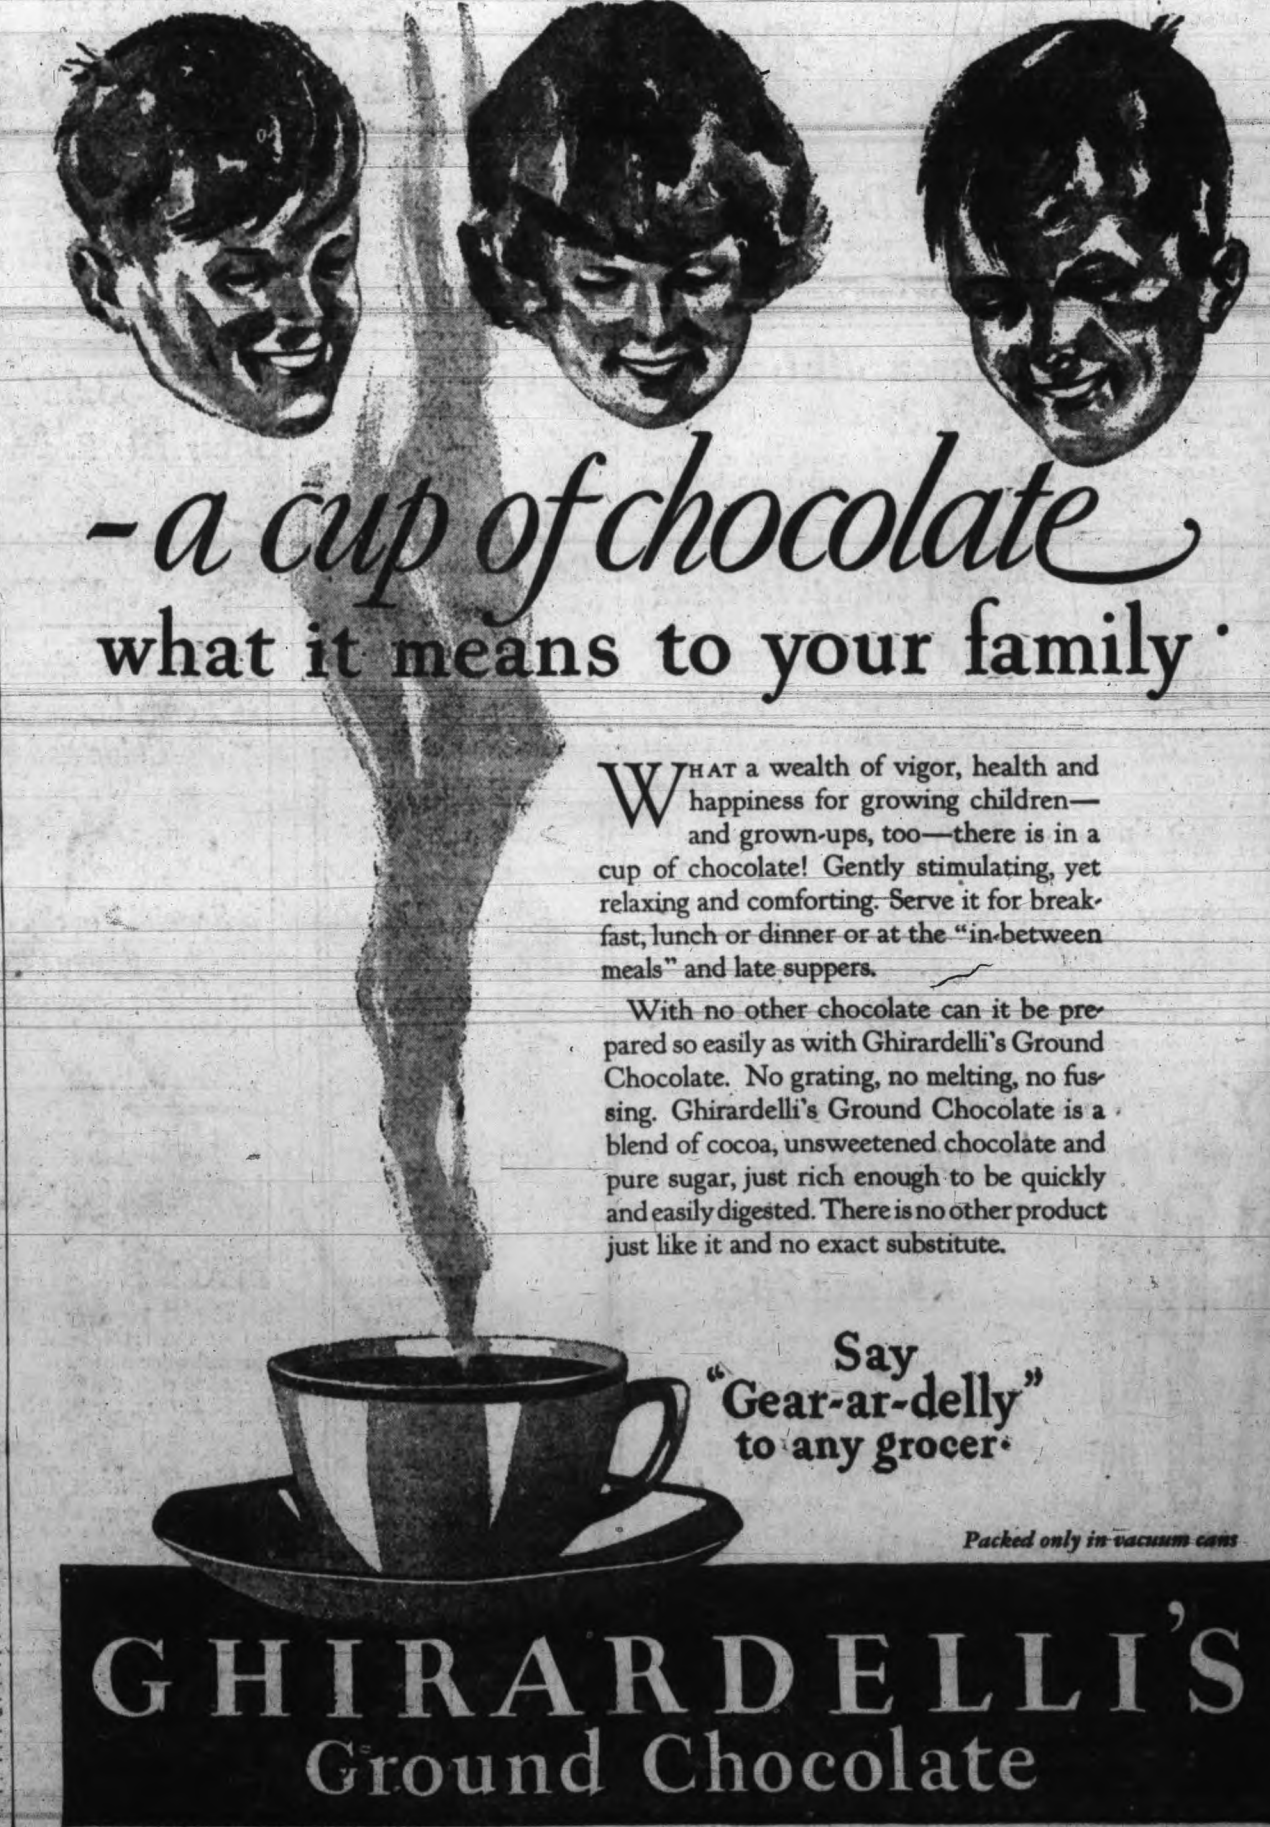

Typographical W.A.—The Women's Auxiliary to Typographical Union No. 201 will hold its monthly court wheel drive on Saturday next at the home of Mr. and Mrs. J. Hiberson, 1513 Amphion Street, play to commence at 8.15. The members will supply the refreshments and good prizes will be given.

## MAUDE ROYDEN IS INVITED TO SPEAK

City Temple and Women's Canadian Club Send Invitations

Miss A. Maude Royden, the famous woman preacher and head of the Guild House Community Church at Eccleston Square, London, has been invited to address the Women's Canadian Club when in Victoria in the near future. Miss Royden has also been invited to speak at the City Temple. Her acceptance of the invitations has not yet been received. Miss Royden has just reached the United States on the first part of a tour which will include Japan, China, Australia and India, and she is scheduled to pass through this city on her way to the Orient. She has recently received considerable publicity from the papers of the United States owing to the cancellation of several of her lectures because of her alleged addition to smoking and her views of companionate marriage. Her supposed views in agreement with companionate marriage have since been given an unequivocal denial.

Came Lodge—The regular meeting of Came Lodge, No. 45, I.O.O.F., will be held on Friday, January 13, when four candidates will be initiated and also the installation of officers will take place, lodge opening at 7:30 p.m.

-a cup of chocolate-  
 what it means to your family.

WHAT a wealth of vigor, health and happiness for growing children—and grown-ups, too—there is in a cup of chocolate! Gently stimulating, yet relaxing and comforting. Serve it for breakfast, lunch or dinner or at the "in-between meals" and late suppers.

With no other chocolate can it be prepared so easily as with Ghirardelli's Ground Chocolate. No grating, no melting, no fusing. Ghirardelli's Ground Chocolate is a blend of cocoa, unsweetened chocolate and pure sugar, just rich enough to be quickly and easily digested. There is no other product just like it and no exact substitute.

Say "Gear-ar-delly" to any grocer.

Packed only in vacuum cans.

**GHIRARDELLI'S**  
 Ground Chocolate

## DETAILS GIVEN OUT OF GREAT INCREASE IN CITY'S BUILDING

More Residences Constructed  
in 1927 Than Previous  
Years

Big Increase in Commercial  
Buildings

Details of the building programme of Victoria during 1927 were yesterday filed by Acting Building Inspector Eckman with City Clerk Hunter, for presentation to the City Council. Mr. Eckman forecasts "favorable prospects" for 1928, after noting that the past year recorded building three and a half times as heavy as the previous year.

The total building authorized in 1927 was valued at \$2,524,741, the highest monthly record being attained in December, when permits totaled \$906,936 in value. The next largest monthly total was that of May, which attained \$463,582, with November in third place with a total of \$409,665.

Details of the building undertaken are as follows:

Dwellings, one story, 64, value \$190,690; dwellings, one and a half stories, 10, \$39,700; dwellings, two stories, six, \$48,330; garages, private, 220, \$23,135; garages, public, 13, \$124,334; factory buildings, five, \$12,550; stores, 16, \$22,680; church, one, \$300,000; warehouses, 11, \$39,860; hospital, one, \$965,000; hospital alterations, four, \$51,000; hotel additions, four, \$10,500; apartments, two, \$28,000; office building, one, \$140,000; Crystal Garden alterations, \$10,000; miscellaneous on 214 permits, \$164,287; grain elevator, \$850,000; general repairs, \$100,000.

Frame buildings constructed during 1927 were valued at \$578,922 on 540 permits, while brick, steel and concrete construction was estimated to cost \$1,848,819 on thirty-eight permits. Fees taken by the department amounted to \$2,057 during the year.

Mr. Eckman puts out that in 1927 there were eighty more private dwellings authorized than were recorded in 1926.

## A.O.U.W. Lodges Formally Install Officers For 1928

The annual installation of officers of three lodges, A.O.U.W., was held here last week when officers of the Victoria Lodge, the Vancouver Lodge and the Western Star Lodge were formally installed. The ceremonies were conducted by Grand Master Workman John McIvor of Port Hammond, assisted by F. N. E. Shakespeare, P.G. M.W., R. O. Williams, P.M.W., and W. O. Clunk, D.D.G.M.W.

During dinner Mr. McIvor addressed the gathering, and said that the membership afloat, until now held by a mainland lodge, would come to Victoria Lodge No. 1 for securing the most members during 1927. Other speakers included Col. Martin, a member of Maple Leaf Lodge, Vancouver, and J. Stansby, P.G.M.W.

A committee was appointed to look after arrangements for a dance to be held sometime in February to commemorate the thirty-sixth anniversary of Western Star Lodge No. 7.

The officers installed for the lodges were as follows:

Victoria Lodge No. 1—Mrs. Borde, master workman; Mrs. P. Luxton, past master workman; L. Borde, foreman; M. Palmer, overseer; J. Stansby, secretary; C. Wigglesworth, finance secretary; C. Wigglesworth Jr., guide.

Vancouver Lodge No. 5—P. N. Hirst, master workman; Mrs. McIlmoyl, past master; M. Garland, foreman; M. Post, overseer; T. Burgess, secretary; J. T. McIlmoyl, finance secretary; W. Scowcroft, treasurer; J. Silver, inside watchman; Mr. Clare, guide.

Western Star Lodge—S. Pringle, master workman; M. Somerville, past master workman; O. Somerville, secretary; A. J. Clunk, financial secretary; A. Semple, treasurer, and H. Holton, inside watchman.

Grand lodge representatives—No. 1 lodge, Mrs. P. Luxton; No. 5 lodge, Mrs. McIlmoyl; No. 7 lodge, Mr. Somerville.

## Metchosin

Metchosin, Jan. 11—A large number of residents attended the annual meeting in the committee room of the Hall on Monday evening, January 9, to consider the affairs of the hall. Rev. H. M. Bolton presided. The secretary-treasurer read the minutes of the last annual meeting also the financial report for the past year, both of which were adopted. A vote of thanks to the temporary committee for carrying on was moved by Mr. Frudd and carried. The election of officers for the current year followed, the new committee consisting of H. C. Helgesen, A. D. Ellwood, and W. G. Milsted, F. P. Frudd and Mrs. F. A. Pearce were appointed. A letter was read from the secretary of the Metchosin Women's Institute offering to provide a new cook stove for the kitchen and also to secure city water in the hall. This offer was gratefully accepted by the hall committee. H. C. Helgesen proposed appointing a building committee to make a survey of the hall and report all necessary repairs or alterations to a general meeting. A building committee was appointed to take charge of this work, consisting of A. C. McKicker, F. P. Frudd and Charles Helgesen. The meeting being adjourned, coffee and cake were served by the ladies while a general discussion took place.

A meeting of the parishioners of St. Mary's Church, Metchosin, will be held on Monday, January 16, at 8 p.m., at the vicarage for the purpose of receiving and passing the year's accounts and of appointing and electing church wardens and a church committee and conducting the business of the ordinary annual meeting.

## Alberni

Alberni, Jan. 11—A medal has been awarded to Glen Billwell for conspicuous bravery when he rescued a lady from drowning in the waters of the Alberni Canal last summer. This medal will be publicly presented to the heroic local boy shortly, and is at the present time in the hands of the city clerk.

GOOD NEWS WILL GREET ALL THE PEOPLE OF VANCOUVER ISLAND  
THE ROYAL SHOE STORE LAUNCHES A MIGHTY ROUSING

# FRIENDMAKING SALE

A Sale With a Reason and Not  
an Excuse

WE ARE NOT GOING OUT OF BUSINESS

In launching this great FRIENDMAKING SALE we have but one object in view and that is to gain 5,000 NEW FRIENDS. To accomplish this we are going to pass out in savings \$4,500, giving such values as the public cannot resist. ## NEWS IN BRIEF

The annual Parish Vestry meeting of St. Mark's Church will be held in the hall to-night at 8 o'clock. Many important matters will be discussed.

Building permits in Victoria for 1928 now total \$10,000 on fourteen undertakings, according to the records of Acting Building Inspector Eckman.

While skating at the arena last night Ralph Sparks, who plays on the defence for the Bapcos Commercial League hockey team, fell and dislocated his shoulder. The injury will keep him out of the game for several weeks.

The Esquimalt Municipal Voters' Association will hold a meeting at the Rex Theatre on Thursday evening, when John Dean and Capt. R. P. Matheson will speak, together with candidates endorsed by the association.

The annual meeting of Ward Seven Sancho Liberal Association, will be held in Hampton Hall, Burnside Road, to-night, commencing at 8 o'clock. The election of officers will take place and Norman Whitaker, Liberal candidate for Sancho, will address the meeting.

Dr. A. F. Barton will give a special health talk to-night in "New Thought Temple on 'Inside Information,' which will be followed by demonstrations of diagnosis from the eye. Dr. Barton assumes that a vest pocket doctor will be given to every person attending the lecture.

City election headquarters for the convenience of Sancho voters have been opened by Reeve Crouch and Councillor Milne. The office of Reeve Crouch will be at 1318 Broad Street, the telephone being 2588. Councillor Milne's headquarters will be at 636 Cormorant Street, next door to the fire hall, the telephone being 3300.

John C. Adam of the Chemalun Lumber Company, will lecture to the members of the Victoria Branch Engineering Institute of Canada on the Reconstruction of the Lumber Plant at Chemalun, to-night at 8 o'clock in the clubrooms, 25 Brown Building. The lecture will be illustrated with lantern views. The public is invited.

February 4 was set as the date for the annual reunion of the 108th (Timber Wolves) Battalion at a meeting held last night at the Chamber of Commerce. Capt. F. G. Dexter presided, Major K. B. Spurgeon being unavoidably absent. The meeting was held in the Chamber of Commerce. W. E. Farmer was named to arrange entertainment. J. J. Blair, R. Foster and J. Cassidy were named on the executive.

The Victoria and Island Life Underwriters' Association have been notified by wire from Toronto that they have been successful in winning the trophies presented annually for the largest increase in membership in any association throughout the Dominion. The total membership for 1927 was eighty-nine members which shows an increase of forty over the year 1926. The annual meeting and election of officers will be held in the Chamber of Commerce dining-room this evening at 5 p.m.

A report of the superintendent of the Victoria West (Songhees) Park has been received by the Victoria West Brotherhood, for the benefit of parents in the district. This report stresses the need for equipment in the playground. It shows, too, that there is danger to children from the heavy traffic which flows past three sides of the park. Frequent visits were made by members of the brotherhood last year to the Crystal Gardens and to beaches, and the end of the day was often spent in music and song, the report showed.

An enjoyable evening was spent in Lake Hill Community Hall on Monday, when the usual card game was held under the auspices of the Women's Institute. There were eleven tables in play and prizes won as follows: First table, Mrs. Knowlton; Mrs. Watson, Mr. Feden and Mr. Hibbert; second table, Mrs. Bigham, Mrs. Wm. Peddie, Mr. Knowlton and Wm. Peddie; consolation, Mrs. Mercer, Miss Holdcroft and Mr. Harris. Next week's game will be held on Monday under the auspices of the Community Centre, and an effort will be made to start at 8:30 p.m.

## FRUIT MEN PLAN CHANGES IN NEW MARKETING LAW

Convention Expected to Recommend Measures to Strengthen Statute

With Hon. E. D. Barrow, Minister of Agriculture, in attendance, the annual convention of the B.C. Fruitgrowers Association in Kelowna, starting January 17, is expected to have a vital bearing on the whole agricultural marketing in this province. The fruit men are expected to recommend changes in the marketing law, which is believed to give a lead to members of the Legislature from most of the agricultural districts of the Province and thus will be reflected directly in the proceedings of the House when it tackles the marketing problem.

Important changes in the new marketing act as it applies to the fruit and vegetable industry of the interior will be the chief outcome of the fruit growers' convention, it is expected here. The most important of these will probably be the rebuilding of the interior committee of direction, now composed of two members appointed by the fruit growers and one appointed by the Government. In place of this board in the present marketing law, the fruit men are now proposing that P. M. Black, the present chairman, remain as director of marketing assisted by a new advisory board, representative of all branches of the fruit industry. This arrangement, it is thought, would be more effective than the present system, and it is believed here that the Government will accept the proposal.

Another proposal to come before the convention will be the reduction in the number of fruit shippers through an increase in the present shippers' license fee of \$10 per year. With large numbers of independent shippers operating in a small way, and handling part loads, the problem of keeping in touch with all fruit movements is serious. It is thought that if the shipping system could be simplified it would be more effective.

The recommendations of the convention on these and all other marketing questions will be brought before the Legislature early in its session. Mr. Black will come to Victoria during the session to give members all information they desire about the operations of the direction committee when the marketing issue arises.

## APPEAL COURT HEARS GARNISHEE DISPUTE

International Junk Company of Vancouver Appellants in Case

The International Junk Company of Vancouver are claimants-appellants in an appeal proceeding before the B.C. Court of Appeal this morning with the full court of five judges sitting.

The appeal is against a judgment of Mr. Justice Macdonald. The Canadian Bank of Commerce are plaintiff respondents, Victor Lanken figures in the case as defendant in the original action, and Francis Millard as the garnishee.

J. H. Macdonald appears for appellant Ghent Davies for respondent.

Appellants claimed priority on a garnishing order on their claim for \$120 against Lanken as maker of a promissory note for \$600.72. The judge ordered the money paid to the Canadian Bank of Commerce.

The hearing is proceeding.

## DIES FROM HURTS RECEIVED IN MILL

Joe Yick, a Chinese mill-worker, died as a result of injuries accidentally received while engaged in operating a lathe machine in the Canadian Puget Sound Mills here, on January 7, a coroner's jury decided at Thomson's Funeral Parlor to-day. The man did not die until two days after the accident, January 9.

Sam Goo, a fellow workman, saw the accident occur, and told the jury of Yick's injury. He was struck in the stomach, the witness said. The mill foreman, Albert Windau, was another witness, and Dr. Thomas McPherson described to the jury the nature of the man's hurts.

## OBITUARY

Military honors, with the Sixteenth Canadian Scottish band in attendance, will be accorded the remains of the late George P. Gaiger, who passed away at 726 Discovery Street yesterday. The funeral will take place from the Sands Funeral Chapel on Saturday at 3:30 p.m.

The funeral of the late Charles Edward Bullock, a veteran of the Great War, will take place with full military honors on Friday at 3 o'clock from the Sands Funeral Chapel. Rev. J. H. Leighton will officiate. Interment will be made in Royal Oak Burial Park.

The remains of the late Mrs. Amelia Elizabeth Burt were laid to rest yesterday afternoon in Ross Bay Cemetery, the funeral taking place from Hayward's B.C. Funeral Chapel at 2:15 o'clock, proceeding to the Reformed Episcopal Church, where service was conducted by Rev. A. de B. Owen at 2:30. The hymns sung were "Jesus in the Arms of His Father" and "Abide With Me." Many old friends were present among the large attendance and numerous beautiful floral offerings covered the casket. The following acted as pallbearers: Capt. J. J. Whiteley, Wm. Vey, E. M. Haynes, C. C. Pemberton, P. Shandley and Geo. McCann. T. H. Laundy acted as honorary pallbearer.

Robert M. White, who came to Victoria from Penzance, Saskatchewan, three months ago, passing away this morning at the Jubilee Hospital, aged fifty-eight years. He is survived by his widow here, one son and three daughters. Allister A. White of Liberty, B. C.; Mrs. J. D. Steele, Moose Jaw; Mrs. R. Olson, Holdcroft, Sask.; and Mrs. Donald Kells of Crestmont, Sask. The remains will be forwarded by the Sands Funeral Chapel to Penzance for burial.

The funeral of the late Earle Wesley Foster, who passed away Monday, will be held from the Sands Funeral Chapel on Thursday at 12:15, proceeding to Knox Church, Sooke, where services will be held at 2 o'clock. Interment will be made in the church cemetery.

There passed away at the family residence, 1149 Grant Street, on Wednesday morning, Muriel Hayman (Mickey) Thompson, aged seven years and eleven months, beloved daughter of Mr. and Mrs. Joseph Thompson. She is mourned by her father and mother, four sisters and one brother, also her uncle and aunt, Mr. and Mrs. G. E. Knight, of this city. The remains are resting at McCall Brothers' Funeral Home. Announcement of funeral is to be made later.

The funeral of the late Mrs. Rachel Hay, who passed away Sunday evening at the family residence, 484 Dallas Road, took place yesterday afternoon from the residence, proceeding to the First United Church, where service was conducted by the pastor, Rev. Dr. W. G. Wilson. The hymns sung were "Nearer, My God, to Thee" and "Abide With Me." Mr. A. Gurney presided at the organ. The church was filled with sympathizing friends, and a special card had to be used to convey the many beautiful floral tributes which bore testimony to the high esteem in which the late Mrs. Hay was held by her many friends. Among those present at the service were members of Colfax Lodge No. 45. At the open grave service was conducted by Noble Grand Mrs. Bainbridge, assisted by Chaplain Mrs. J. J. Johnson, D. Killop, D. Fair, Neal Pollock, D. Dewar, John Hosie and James Little were the pallbearers. The remains were laid to rest at Ross Bay Cemetery.

The funeral of the late John Morris, who passed away at his residence, 3860 Savannah Avenue, Saanich, Sunday evening, has been arranged to take place to-morrow afternoon. Funeral service will be held at the Thomson Funeral Home, 1926 Quadra Street, at 2 o'clock, and the remains will be laid to rest in the Royal Oak Burial Park.

## Hornsby States He Never Contemplated Handling the Giants

St. Louis, Mo., Jan. 11.—Answering the statement of Charles A. Stoneham, president of the New York Giants, Rogers Hornsby said to-day there never had been a word of controversy between himself and Manager John J. McGraw, and he had never contemplated getting the management of the Giants.

## JUNIOR CHAMBER TO SHOULD NEW TASK

Start Movement to Secure Improvements to Royal Athletic Park

To Hear of Technical School at Good Fellowship Dinner Thursday

Plans for clean-up week suggestions for a change in British Columbia automobile license plates, the proposed technical school, improvements to the Royal Athletic Park and the New Year good fellowship meeting to be held Thursday were discussed at a general meeting of the Junior Chamber of Commerce Monday.

The dinner meeting will be held Thursday starting at 6 o'clock. J. L. Beckwith will be asked to give a talk on the proposed technical school for Victoria.

On a suggestion from A. H. C. Jones it was decided that a committee interview Attorney-General Manson regarding a background on license plates which would be distinctive of British Columbia. It was suggested that a Douglas fir log or a salmon should enter into the scheme.

It was decided to stir up interest in the present condition of the Royal Athletic Park. Letters will go out to a number of persons and organizations interested, drawing attention to the lack of water, need for repairs and improvement necessary in the athletic field in this city which is the logical one not only for local games but to entertain visiting competitors. It is hoped later to present a strong case to the City Council.

Notice was given that the Chilliwack Junior Board of Trade had been formed. It was decided to ask W. N. Kennedy to address the new board at Chilliwack January 18 and to convey the wishes of the Victoria Junior Chamber of Commerce.

The clean-up week committee was named as follows: H. Orford, chairman; Cecil May, vice-chairman; J. E. Egey, W. J. Fletcher, A. V. King and F. L. Godfrey.

## OLD JAIL WILL BE TORN DOWN AT ONCE

Contract Signed For Removal of Ancient Building in City Hall Block

The old city jail, adjoining the city hall, will be demolished forthwith, removal being completed within sixty days of the date of a contract with George Dodd, contractor, signed this morning by Acting Mayor William McPherson. Removal of the building will commence on Monday morning, it is expected. The contractor will receive for his services the materials in the building, and will also be paid \$400 upon satisfactory completion of the work.

The concrete floor will remain in place, and pending decision as to the use of the space made available members of the city hall staff are considering making an offer to the council to lease the area for a parking space for their automobiles.

## WIFE BEATER AS DEFENCE COUNSEL

But Address to Court and Cross-examination of no Avail

Three Months Added to Two Months Served by Charles Bland

One address to the court of an hour's duration and a second address of half an hour's duration, besides keen cross examination of witnesses, proved of no avail to Charles Bland, wife beater, tried before His Honor Judge Lamppman in the County Court this morning.

Bland, the father of six children between the ages of nine years and two years, was sentenced to serve another three months in jail in addition to the two months he has already been in Okalla for assaulting his wife, Jean Bland, to whom he has been married twelve years.

H. E. Courtney conducted the case for the Crown.

The wife told a sordid story of domestic unhappiness. She and other witnesses were cross examined at length by the accused, who had a large notebook for taking notes and read out question to the witnesses at great length.

A LENGTHY ADDRESS

On his own behalf he made a speech to the court in which he placed the responsibility for home troubles upon his wife and alleged that she wished to shirk her domestic duties and break up the home.

"I am a man who can work and support his family," he said.

"I have been in jail nearly two months," he concluded, "fifty-two days to-morrow I missed the Christmas and New Year holidays with my children. I think if I go to jail again I shall lose practically all I have—children, home and everything. That is all," he said in concluding his address.

"The accused makes his case worse by the cross examination he subjects his wife to," the judge said in passing sentence.

Accused threw a scowl in his wife's direction as he left for the cells. He embraced his little daughter and kissed her affectionately.

## CHINESE GIRL BRIDE CASE CALLED AGAIN

Chief Justice Hunter Declines to Hear Further Arguments

The case of Lee Chow Ying, Chinese girl bride, who for two and a half years has been fighting against deportation and disavowing the accusation of the Immigration Department that she is an impersonator, was before Chief Justice Hunter again this morning.

M. B. Jackson, for the department, and Stuart Henderson, counsel for the girl, who claims Victoria as her birthplace, were present, but there was little argument. Chief Justice Hunter referred to his recent judgment in favor of the girl, and said he was not prepared to go into the case beyond that.

Mr. Jackson, he said, might dictate his case to the court reporter and appeal against the judgment to the Court of Appeal, if he desired.

Installation of Officers—Women of Mooseheart Legion, Victoria Chapter No. 35, held their regular meeting in the evening at the Victoria Hotel Monday, January 9, Senior Regent Robertson presiding. Legionnaire Quaintance gave a good report on the year's work of the committee and reported that the members of the Past Regent White gave a splendid report of the children's Christmas tree and what drive, showing a good balance in hand. Legionnaire Petrie was given a very

hearty vote of thanks for her kindness in donating the Christmas cake to the children. Five new members were initiated into the chapter. The installation of officers for the coming year took place, the following officers being installed: Post Regent, Legionnaire White; Senior Regent, Legionnaire Robertson; Junior Regent, Legionnaire Hatcher; Chaplain, Legionnaire Quaintance; Recorder, Legionnaire Pears; Treasurer, Legionnaire Marshall; Guides, Legionnaires G. Shaw, M. Robertson, Arthur and Christie Sentinel; Legionnaire Bert; Drill Captain, Legionnaire Shaw; Past Regent White acted as Grand Installing Officer; Past Regent Elsmere, Grand Guide. During the evening Senior Regent Robertson was presented with her Past Regent's pin. The Grand Installing Officer, Grand Guide, Senior Regent and all other officers were presented with lovely bouquets and a corsage bouquet was presented to Legionnaires Hatcher, Pears, G. Shaw and M. Robertson. A large number of brother Moose were present for the installation. The women's degree team will install the officers of Maple Leaf Legion on Friday evening, January 13. The next whist will be held at the home of Past Regent White, 464 Kingston Street on Wednesday, January 25. Conventer Legionnaire Beed: At the close of the convocation of Past Regent White and her committee.

## SUCCESSION DUTY CLAUDE CONSIDERED

Interest Charge on \$300,000  
Estate Before Appeal Court

A ruling of the B.C. Court of Appeal on Chapter 244 of the R.C. Succession Act was made by Judge Bull yesterday appealing for Annie Elizabeth Wilson, widow of David Henry Wilson, formerly of 1066 Haro Street, Vancouver, against an estate of \$333,796.10 succession duty of \$20,452.36 was charged.

The appeal was from the judgment of Mr. Justice Murphy, who ruled that the procedure followed in paying the duty on a contingent estate payable to the children on the widow's death did not exclude it from the interest claim. Duty on the amount left to the widow and a life annuity to another beneficiary was paid within the six months of death, excluding it from interest. This duty amounted to \$10,411.21. The balance of \$10,041.15 paid was in respect to the interest in the estate of three daughters entitled to a contingent remainder of the estate. This was paid before the daughters received benefit from the estate in accordance with a clause in the act which provided an alternative allowing a computation to be made and succession duty to be paid within two years instead of at inheritance.

The duty was not paid within six months and crown claimed interest after that date. Mr. Bull argued that the election to pay in this manner stood for two years and no interest was due within two years. If it were not paid within two years the election to pay duty during the lifetime of the person holding a life interest expired. While the election to pay succession duty, on the portion of the estate it was computed, the daughters continued for two years. Mr. Darling argued that interest began at the date of death with the exception of the six months' grace period.

Judgment was reserved.

## OLD ASSOCIATION CHANGES ITS NAME

But New Body, Victoria  
Horticultural Society, Pro-  
gressing Rapidly

With officers elected for the ensuing year and a report showing that the membership had steadily grown during the last twelve months, the Victoria Horticultural Society is anticipating an era of conspicuous progress. Formerly known as the Victoria and District Gardeners' Association, it now bears a more appropriate name, many of the members declare.

P. R. Leighton is the new president. He is adopting a policy of active preparation and support for the annual summer show, which is, he says, one of Victoria's summertime features. It is a blaze of floral color and has won much favorable commendation from the thousands who have seen it in the last few years. Eminent horticulturists have remarked upon its value.

Mrs. E. C. Williams received the award which would have gone to her husband had he lived, for bringing in the greatest number of new members during the year.

B. A. Howell won the floral and Mrs. E. W. Darcus the vegetable competition in the monthly test established by the society.

The following officers were elected: President, P. R. Leighton; vice-president, George Atwood; secretary-treasurer, P. E. Boulter (re-elected), and the following executive committee, Mrs. E. W. Darcus, Messrs. F. B. Robinson, A. Green, W. Ballantyne, P. Turner, H. Whitehead, W. Dunning, J. McPherson, F. A. Sanders and Norman Rant.

P. Landsberg and R. O. Lamb were re-appointed auditors.

## Sidney

Sidney, Jan. 11.—The regular monthly meeting of the Allies Chapter, I.O. D.E., was held in Matthews' Hall on Thursday afternoon with a good attendance. In the absence of the regent, Mrs. P. A. McKim, through illness, the chair was taken by the first vice-regent. After the regular routine business was disposed of the chapter appointed Mrs. White-Dugan and Mrs. A. Bowman as delegates and representatives to the local council of women.

Reports were made on the presentation of pictures to the schools in North and South Saanich.

A nomination committee was appointed, consisting of Mrs. Grasse, Mrs. Bowman and Mrs. Rochford.

A dainty tea was provided by Mrs. Bertram Taylor and served by Mrs. Stewart and Mrs. A. Bowman.

Congratulations are being extended on the birth of a daughter to Mr. and Mrs. John Dolence, Seattle, nee Daisy Matthews, Sidney.

A pleasant evening was spent on Monday when members and friends of the Deep Cove Social club met to play progressive five hundred, the evening's play terminating in prizes being awarded to Mrs. Tenartermite and Wm. North, after which refreshments were served by Mrs. Calvert.

Kelly Sangster left Monday for Vancouver, where he will visit for a few days.

The regular monthly meeting of the Women's Auxiliary of St. Andrew's Holy Trinity was held at the home of Mrs. Coward, Third Street, with a large attendance. The president occupied the chair and opened the meeting. The secretary and treasurer read their reports of the previous meeting which proved very satisfactory and were adopted. Two new members were welcomed to the auxiliary. After routine business was disposed of the meeting adjourned, and tea was served by the hostess, Mrs. Stanley Brethour kindly invited the members to meet at her home for their next meeting.

Two accidents occurred at the Sid-  
ney mills. Gilbert Carter losing balance  
fell through hole in the floor and  
dropped on to the conveyor receiving  
several bad bruises, besides having  
three ribs broken. J. T. Jackson had  
his leg and crush it severely. Dr. Man-  
ning was summoned.

Mr. and Mrs. G. W. Morrer, Henry  
Avenue, are receiving congratulations  
on the birth of a daughter at Nurse  
Walker's home at Sanctionton.

I. W. Pinlow, who has been manag-  
ing Major McDonald's farm, East Road,  
for the past few years, left this week  
for an extended visit in England.

## Boston Boss Is Elated At Getting Hornsby

Braves Now Hope to Get Out of Cellular in National League; Hornsby, Stunned at Suddenness of Deal, Asks if Reports Are True That Giants Own Boston Club and Want to Strengthen It Owing to Heavy Financial Losses; Hornsby Starred for Giants Last Season; Only Rookie to Replace Him

New York, Jan. 11.—Rogers Hornsby was traded to the Boston Braves "in order to avoid any future conflict in the management of the club, and for no other reason," Charles A. Stoneham, president of the New York Giants said today in explaining the sensational baseball deal, announced last night by which the Giants sent Hornsby to the Braves for Catcher Hogan and Outfielder Welsh.

"Supplementing the statement made by this club last evening regarding the Hornsby and Hogan-Welsh transaction I wish to say that the deal was made in order to avoid any future conflict in the management of the club and for no other reason. Statements have been made throughout the country that Hornsby would be the future manager of the Giants. I have never been consulted regarding this and have had no conference about the selection of a manager, as Mr. McGraw still retains the management of the New York Giants. The club believes that in this deal it has been strengthened behind the bat and in the outfield. These additional players added to our present roster indicate to us that we will be among the foremost contenders for the coming National League pennant.

"We feel that we have done what is for the best, looking toward the future welfare of the organization and I trust that the loyal fans and supporters will bear with the club until such time as the results of the trade are definitely decided on the playing field."

Boston, Jan. 11.—Judge Emil E. Fuchs, president of the Boston Braves, said last night he was "elated with the trade" which will bring Rogers Hornsby, of the New York Giants, to Boston.

"The personal friendship between Hornsby and myself has been one of the warmest for years," he said, "and I promise the Boston public that he will give us everything he has, to bring the Braves toward the top."

St. Louis, Jan. 11.—Rogers Hornsby, when informed here last night of the trade which transfers him from the New York Giants to the Boston Braves, said: "I cannot believe it. Only to-day I had tried to get McGraw on the long distance telephone in regard to the employment of a trainer for the Giants for the coming season," Hornsby said.

"However, I failed to get hold of McGraw. I have not been notified of the trade and know only what you have just told me."

Hornsby was reached by telephone by St. Louis newspapermen, who told him of the trade.

DO GIANTS OWN BRAVES? Later Hornsby announced the receipt of a telegram from Judge Emil E. Fuchs, president of the Braves, informing him of the deal. Obviously at a loss for words, the ball player asked reporters if there was anything to the report that the Braves are owned by the Giants.

"Maybe they're trying to build up a Boston club," he said. "I've heard the Giants own the Braves. Do you know whether that's true? I certainly don't know what's wrong, if there is anything wrong."

New York, Jan. 11.—Rogers Hornsby, captain of the New York Giants, the biggest star in the National League, has gone in a lightning trade to the Boston Braves.

The deal came as a stunning surprise to baseball circles and was equally unexpected by Hornsby.

In return for Hornsby, who is the National League highest salaried player at a reported sum of \$40,000 a year, the Giants received Catcher Francis Hogan and Jimmy Welsh, an outfielder, both virtually unknown. They are just ordinary players. No cash was involved.

A brief statement signed by President Charles A. Stoneham and Manager John J. McGraw said the trade was made "for the best interests of the club."

The statement read: "After due deliberation between President Stoneham and Manager McGraw, and having in mind what we thought to be the best interests of the New York Giants, a trade was consummated to-day which involves Rogers Hornsby, second-baseman of the Giants, whereby the Giants received Francis Hogan, catcher, and James Welsh, outfielder, of the Boston Braves. No cash was involved in the trade."

BOLSTER WEAK MEMBER The only plausible explanation of the deal appeared to be a desire on the part of the Giants to bolster a weak member of the National League.

The Braves have been battered around the cellar of the circuit for the past few years and the patronage has been dropping at an alarming rate in Boston.

After receiving a telegram from Judge Emil E. Fuchs, owner of the Boston Braves, telling him of the deal, Hornsby said it did not make any difference to him whether he was with the Braves or any other club. However, Hornsby was puzzled over the "best interests" section of the Giants statement and said he did not believe McGraw was responsible for that part of the statement.

ROOKIE SECOND BASEMAN Hornsby's departure leaves the Giants with C. R. Crawford, a Greenville, N.C. rookie, as the only second baseman on the roster. From this fact, most baseball observers felt that McGraw would have to negotiate a trade for an experienced man to fill Hornsby's shoes if he hoped to make the Giants a contender for the 1923 championship.

Asked if the club or its officials contemplated a further announcement clearing up definitely the facts surrounding the most surprising player deal since the closing of the 1922 season, Ed Tierney, secretary of the Giants, said that nothing more would be forthcoming.

"The deal is completed. There will be no further announcement," he declared.

BRILLIANT SHOWING The deal was particularly surprising in view of Hornsby's brilliant work afield and at bat during the Giants' last drive. In the absence of McGraw due to illness, Hornsby was acting manager of the team and during the closing days of the race brought the New York club into a contending position.

## RING MEN OF CANADA WELL UP IN RANKING

Rickard's Annual List Shows Canadian Fighters Next to Americans

Have Good Contenders in Several Divisions; McLarnin and Belanger High

New York, Jan. 11.—For the fourth successive year, Tex Rickard to-day lined up the rank and file of pugilists for The Ring, a boxing publication.

All recognized champions lead their classes except in the somewhat obscure junior welterweight section, where Ruby Goldstein gains top position over Mushy Callahan, hailed as the champion of the 140-pound class. In all but the heavyweight, the promoter split the division into two groups, only the first of which were ranked numerically. Among the ponderous battlers, Rickard set Tunney first, Jack Dempsey second and Jack Sharkey third, before dividing the remainder of the heavyweights into two groups.

TUNNEY GREAT CHAMPION Rickard deplored the lack of outstanding foreign contenders. He declared Gene Tunney the "big sensation of last year, as he was the shining light of 1922."

"There is no denying that Tunney is not only a champion, but a great champion," he said. "I believe that he is one of the greatest champions the class has seen. Any man who saw Dempsey make the most desperate efforts of his entire career and send Tunney down, and then saw Tunney come out of this crisis and fight back until he hurt his man, must admit that in Gene Tunney the American ring has developed another outstanding exponent of science, power, gameness and sportsmanship."

Basing his judgment entirely on performance during the past year, Rickard placed the late Tiger Flowers just back of Mickey Walker, middleweight champion.

Sergt. Sammy Baker gained the edge over Ace Rudkins for second place in the welterweight standing behind Joe Dundee, the titleholder.

McLARNIN SECOND Rickard ranks Jimmy McLarnin, of Vancouver, second in group one of the lightweight division, next to Sammy Mandell, Vic Foley, of Vancouver, in group two.

The rankings are as follows: HEAVYWEIGHT DIVISION Group 1—1, Gene Tunney, New York; 2, Jack Dempsey, Los Angeles; 3, Jack Sharkey, Boston.

Group 2—Tommy Heeney, New Zealand; Johnny Risko, Cleveland; Pauline Uzdudun, Spain; Jack Delaney, Bridgeport and Vittorio Campolo, Argentina.

Group 3—George Godfrey, Philadelphia; Knute Hansen, Racine, Wis.; Jack Dorval, Canada; Jack Renault, Quebec; Arthur De Kuhl, New York; Phil Scott, England and George Cook, Australia.

LIGHT HEAVYWEIGHT DIVISION Group 1—1, Tommy Loughran, Philadelphia; 2, Leo Lomski, Aberdeen, Wash.; 3, Jimmy Slattery, Buffalo and 4, Mike McTigue, New York City.

Group 2—Yale Okun, New York; Young Strubling, Georgia; Martin Burke, New Orleans; Joe Sekyra, Dayton, N.J.; Armando Emanuel, San Francisco; Orleans Saguro, Cuba; Sunny Jim Williams, San Diego; George Manley, Denver; Battling Leary, Philadelphia; James Braddock, Jersey City; Edna, Norway; and Paul Berlenbach, New York.

MIDDLEWEIGHT DIVISION Group 1—1, Mickey Walker, Elizabeth, N.J.; 2, Tiger Flowers, Camille, La.; 3, Dave Shade, New York; 4, George Courtney, New York; 5, Jack McFay, New York and 6, Maxie Rosebloom, New York.

Group 2—K. O. Phil Kaplan, New York; Joe Anderson, Louisville, Ky.; Tommy Millman, Scotland; Pete Latzo, Scranton; Babe McGary, Oklahoma; Harry Ebbetts, Preppont, New York; Cowboy Jack Willis, Dallas, Texas; Red de Vries, New York; and Bill McKee, N.Y.; Allentown; Joe Gans, Allentown, Pa.

WELTERWEIGHT DIVISION Group 1—1, Joe Dundee, Baltimore; 2, Sergt. Sam Baker, New York; 3, Ace Rudkins, Omaha, Neb.; 4, Tommy Freeman, Hot Springs, Ark.; 5, Hilario Martinez, Spain.

Group 2—Jack Hood, England; Clyde Hull, Texas; Farmer Joe Cooper, Indianapolis; Alf Mancini, England; Eddie Roberts, Tacoma; Willie Harmon, New York; Lew Tendler, Philadelphia; Vince Dundee, Baltimore; Arturo Shoket, Tampa; Johnny Indrassio, Boston; Jimmy Finley, Louisville; Buckley Lawless, Syracuse; My Sullivan, Toledo; Mickey Feodor, Tampa, Fla.

JUNIOR WELTERWEIGHT DIVISION Group 1—1, Ruby Goldstein, New York; 2, Mushy Callahan, San Francisco; 3, Andy Divoda, New York; 4, Jackie Fields, Los Angeles; 5, Sammy Vogel, New York.

Group 2—Tom White, Texas; Stanislaus Leavasa, Chile; Spug Meyers, Postville, Idaho; Fred Mueller, Buffalo; Young Jack Thompson, Los Angeles; Ross Whalen, Chicago; Frank Schaefer, Chicago; Charlie Rosen, New York; Billy Wallace, Cleveland; 5, Bruce Flowers, New Rochelle.

LIGHTWEIGHT DIVISION Group 1—1, Sammy Mandell, Rochester, Ill.; 2, Jimmy McLarnin, Vancouver; 3, Sid Terris, New York; 4, Billy Wallace, Cleveland; 5, Bruce Flowers, New Rochelle.

Group 2—Lope Tenerio, Philippines; Kid Kaplan, Meriden, Conn.; Billy

## Real Champion And Credit To Ring

A splendid tribute was paid by Tex Rickard, to Tunney, the heavyweight champion, yesterday when the promoter announced his fight rankings. Rickard said Tunney's game stand against Dempsey in Chicago proved he was a real champion and deserved to be ranked as one of the greatest.

## Nice Bait Dangles In Front Of Heeney

Hope of British Empire in Heavyweight Ranks May Meet Either Tunney or Dempsey in London if He Wins Fight With Sharkey; "Blimey, Now I'll Have to Whip Sharkey," Says Heeney on Learning News

New York, Jan. 11.—The possibility of a fight with Gene Tunney in London for the heavyweight championship dangled to-day before Tom Heeney, burly hope of the British Empire, in Tex Rickard's never-ending hunt for title material.

Heeney, who left his plumbing tools "down under" in New Zealand to fight his way into a bout with Jack Sharkey, would like nothing better than the match now drifting about in the back of the promoter's mind. First, of course, he must dispose of the loquacious Jack Sharkey, Boston gob, in a twelve-round match in Madison Square Garden Friday night. Betting odds are eight to five that he won't, but none have been made within Tom's hearing.

"Blimey," said Heeney, in a cockney accent, as he perched on the edge of a rubbing table, training grid over and stroked his square, bristly chin at the prospect. "Now I'll ave ter whip Sharkey for a fact."

TAKE NO CHANCES "Ginger goodness," said his manager, Charley Harvey, as he hustled busily about the gladiator, "better box three more right rounds, Tommy boy, so as to be sure you've done everything possible."

The blue-eyed, curly-headed giant appeared to-day to have more than a possibility of facing a "home" crowd some time next Summer in the Wembley Stadium, just outside of London, and the hope came straight from Tex Rickard.

"All England needs to gain such a match is courage and a willingness to co-operate," Tex said. With him was Bernard Mortimer, London fight promoter, who assured Rickard that the site was available, the Olympic season propitious, and that financial backing would be forthcoming as soon as he returned to Great Britain.

DEMPEY WOULD DRAW There was also an indication that Heeney need only make a stirring showing against Sharkey to arouse consideration of a match abroad with Jack Dempsey, who toured Europe in triumphant fashion several years ago. Mortimer, who unveiled Joe Beckett, believes that Dempsey, even without the title, would draw as well in England as Tunney.

Heeney, twenty-eight years old, stretched out on his rubbing table, a stubby armed but brawny chunk of bone and muscle, 198 pounds in heft. Fighting, he said, came down to him through his dad, another huge fellow who still acts as an engineer in a brewery in Clonsilla, N.Z., where Tom and four husky brothers "grew up battling."

The chief worry of the father, Tom said, was to keep the energetic brood in football, cricket, outfitting, and boxing gloves, while Mrs. Heeney had a busy time preparing food in quantity sufficient to stuff them. Satisfying an enormous appetite, gained in those days, is still one of his pleasant pastimes, Tom declared.

## CANUCKS NOW SEVEN GAMES TO THE GOOD

Canadiens Make Ottawa, World's Champions, Look Bad Before Big Crowd

Boston Win and Move Into Tie With Detroit; Americans Defeat Leafs

Canadiens, of Montreal, lengthened their lead in the National Hockey League last night when they shut out the Ottawa Senators. The score was 3 to 0. They now lead the league with thirty-four points, the Maroons, of Montreal, and Senators are tied for second place with twenty points each.

The Maple Leafs, of Toronto, were defeated by the New York Americans at New York by a score of 2 to 1 and are now tied with the Americans for the cellar position.

Boston Bruins moved into a tie for first place with the Detroit Cougars in the American division of the league by defeating the Chicago Black Hawks 3 to 1.

Montreal, Jan. 11.—Montreal's flying Frenchmen registered their thirteenth victory of the season by blanketing the champion Ottawa Senators 3-0 in a one-sided N.H.L. battle here last night. Previous to this game the Senators were the only team in the circuit which the habitués had not beaten in their meteoric flight to the top of the Canadian section of the league.

Eleven thousand fans registered their enthusiasm over the battle. The Ottawa team was seldom in the picture. Only the great work of Connell in the Ottawa net kept the score so low. In the final stanza, Clancy and Jollist came to blows beside the Ottawa net. Both received major penalties, and were fined \$25 each.

Referees—Ion and Hewitson.

SUMMARY First period—No score.

Second period—1, Canadiens, Jollist, 3:35; 2, Canadiens, Morenz, 08.

Third period—3, Canadiens, Hart, 8:34.

PENALTIES First period—Gagne.

Second period—Boucher, Smith, Broadbent, Clancy, Leduc.

Third period—Clancy, Langlois, Gagne, Jollist (major), Clancy (major).

Boston, Jan. 11.—The Bruins moved into a first place tie with Detroit Cougars in the American Division of the N.H.L. by defeating the Chicago Black Hawks, 3-1, here last night. Frank Fredrickson, Oliver and Connor scored the Bruin goals, and Wasmie, spare right wing of the Black Hawks, achieved Chicago's single point.

Referees—O'Hara and Eddie O'Leary.

SUMMARY First period—1, Boston, Fredrickson, 19:34; 2, Chicago, Wasmie, 17.

Second period—3, Boston, Oliver, 9:08.

Third period—4, Boston, Connor, 11:44.

PENALTIES First period—Fredrickson, Graham.

Second period—Oliver, Wasmie, Galbraith, Denenney.

Third period—Lauder, Keats, Arbour.

New York, Jan. 11.—Capt. Billy Burch scored both goals that gave the New York Americans a 2-1 victory over Toronto Maple Leafs in a N.H.L. game here last night.

McKinnon, American right-winger, assisted Burch in both goals. Dr. Bill Carson, Toronto center player, scored the Toronto goal. All the scoring occurred in the second period.

In the third period, when the Americans were seriously handicapped by penalties, the Toronto team used four men on the attack, but a tight defense and Miller's spectacular goal-keeping prevented them from tying the score.

Referees—Ritchie and Berlinguette.

SUMMARY First period—No score.

Second period—1, Americans, Burch, 15; 2, Maple Leafs, Carson, 4:42; 3, Americans, Burch, 9:06.

Third period—No score.

PENALTIES First period—Keating, McKinnon.

Second period—Carson, Duncan, Boucher.

Third period—Burch, McKinnon, Boucher, Greene, Reese.

Minneapolis, Jan. 11.—Minneapolis slipped another notch in its efforts to reach the top of the American Hockey Association when Duluth League leaders, won an overtime game last night, from the Millers, 1-0.

Trail, Jan. 11.—Trail defeated Rossland here last night 4 to 2, in a West Kootenay Hockey League game, and again joined Nelson Kokness in the league leadership.

Rosland has lost all its four games to date.

## Entries Being Taken For Juvenile League

Entries are now being received for divisions one, two and three of the Victoria and District Juvenile Football League. All teams must have their entry forms in by next Tuesday, when a meeting will be held to draw up the schedule. Play will start on January 21.

All entries should be sent to A. Taylor, 425 Parry Street, or J. Walker of the waterworks department, City Hall.

## Two New Hockey Stars To Line Up On Friday

Osmundsen, Star Goal-getter of Portland League, Will Play With Victoria Against Monarchs in Wilkerson Cup Series; Walker Taylor, of Portland, Will Start at Right Wing and Capitals Are Enthusiastic Over Prospects of Another Victory

Hockey fans certainly got their appetites satisfied at the Arena last Friday night, when the Victoria Hockey Club scored a spectacular win over the Ex-King George, of Vancouver, in the hottest amateur tilt ever seen in this city. On Friday of this week the Monarchs, who were beaten on Monday by the Ex-King George in Vancouver Hockey League, will be here to test out the Capitals, again.

Victoria gave the Monarchs plenty of fight last time they were here, and this time they hope to drape a defeat around the necks of the fast-skating Mainlanders. The Capitals will be about 100 per cent stronger than when they last met the Monarchs.

NEW FORWARDS Huppie Burnett, star defence man, who did not play against the Monarchs last time, will be back on the defence and the Capitals will have the aid of two new forwards to give them a scoring punch.

"Orie" Osmundsen, who played centre ice with Portland when they visited here two weeks ago, will perform for the Capitals and Walker Taylor, of Edmonton, will play right wing in place of Peter Hanlon.

Osmundsen has finished with Portland and will wind up the season in Victoria, after which he will likely return to his home on the prairies. Osmundsen was the star of the Portland team and thrilled the fans with his brilliant display. He is the leading goal-getter in the Portland League.

Taylor is a flashy right-wing player who, while not a very fast skater, is brainy, can shoot and stickhandles very well.

PENALTIES The addition of Osmundsen and Taylor to the forward line will give the Capitals a very formidable machine. With Alex Strath in goal and Burnett, Knipfel and Belcher on the defence the Capitals are well protected in these positions. Osmundsen will likely start at centre and Taylor at right wing. Left wing will go to either Stanyar, Mummery or Foster. Shall, Downman, Sanders and Hanlon will also be available for service.

The Capitals are not too tough with bolstering their team for the Wilkerson Cup series. At present the club has won one game and drawn one out of the four played. If they can defeat the Monarchs and Terrors in the two remaining games they will win the series and the title.

WANT GOOD CROWDS The Capitals will soon declare the players who will represent them in the play-offs for the provincial title. The Victoria Hockey Club is entitled to congratulations for the success done in putting the amateur game back on the map and giving the fans a game once a week. The club has spent plenty of money in getting the team together and may not get back enough to clear them. However, a good attendance this Friday and next week will help a lot.

With the Monarchs coming on Friday and the Capitals in such fine form there is no question but that a large crowd will attend.

Kelowna's highly-touted squad of basketballers struck a tough snag last night at the Victoria High School Gymnasium in the flashy Jordan River quintette, local senior champions, and went down to a 26-20 defeat. This was sweet revenge for the defeat handed the Jordans when they played in Kelowna at Christmas, and lost by three points in a thrilling battle.

The High gym was packed to capacity and the crowd was kept on its toes the whole time by the fast exhibition. Jordan River were in rare form and the matter of the victory was mainly responsible for their victory. These two lads netted some pretty baskets, and near the end of the game when Kelowna came back with a strong rally to creep within two points of the locals, McKenzie scored four beautiful baskets to hold the lead for Victoria.

BASKETS HARD TO GET The game opened with both teams holding close to their checks, and as a result not a basket was scored for some minutes. Kelowna finally obtaining a two-point lead. They snared another basket, and with the score standing 4-0, McKenzie broke away to score four for Victoria. The visitors came back and added two more points, while Wachter retaliated for Jordan River.

Wachter put the locals on even terms, while Randy Tervo brought the house down and added two more points. The lead, 8-6, Kelowna evened up only to have Tervo drop in a pretty basket from centre floor to make it 10-8. Wachter got one and the score was 10-9, and Tommy got another Kelowna called for time out as the pace getting too hot for them.

ALWAYS IN LEAD In the second half Jordan River were always in the lead, although at times Kelowna came to within a couple of points. At this stage of the game Jordan River flashed their best form of the evening, and Jack McKenzie made it 20-16, but Kelowna again cut the lead down to 20-18.

Kelowna was continually making openings, and he succeeded in dropping through two baskets while Kelowna got one, and, with the score standing 24-18, the visitors attempted to score on long shots, and they finally succeeded in making it 24-20. Jordan River then stalled for a time and after passing the ball around for several minutes McKenzie got under the basket without his check and taking a long pass from Forbes slipped the ball into the hoop for the final basket of the game.

Ralph Thomas refereed and the teams were as follows: Jordan River—Tervo (4), Willoughby (2), Wachter (8), McKenzie (10), Forbes and Forbes (2).

Kelowna—Gayton (6), Williams (4), McLeod, J. Parkinson (2), Anderson (6), Meikle (2) and D. Parkinson.

NORMALS WIN Obtaining an early lead the Normal School sent the Victoria High School boys down to 23-12 defeat. The latter seemed to have an off night, and were no match for the fast Normal students. At half-time the score was 11-3 in favor of the winners.

Alf Foubister refereed and the teams were as follows: Normal School—Thomas (6), Lucas, Knott (2), Ross (8), Ross (5) and Chapman (2).

High School—Forbes (4), Bissell, Cudlip (4), Hill (4), LeMarquand and Macmurech.

RED BIRDS SURPRISE Bill Erickson's Red Birds pulled a big surprise when they sent the crack B.C. Telephone five senior "A" lady leaders down to a 9-6 defeat. The younger team leaders in the "B" division played a splendid game and well deserved their victory.

At half-time the score was 6-5 in favor of the telephone team, but in the second half the Red Birds worked hard and just before E. Maynard netted the winning basket.

Joe Ross handled the whistle. The teams were as follows: Red Birds—B. Feden (4), E. Maynard (5), J. Milliken, E. Wood and D. Boyce.

B.C. Telephone—C. Robertson (6), L. Crawford, R. Robertson, C. Yeaman, L. Philbrook (2) and M. Breckenridge.

FOYSTON'S OLYMPICS Gain Leadership in Canadian Pro League Beat Toronto and Move Into First Place in Furious Race; Other Results

Frank Foyston's Detroit Olympia, by their 3-1 victory over Toronto Ravinas last night, now are established in first place in the Canadian Professional League, with Kitchener one point behind, Hamilton, Toronto, Stratford, Niagara Falls, London and Windsor follows in the order named.

Minneapolis, Jan. 11.—After three strenuous professional hockey games, the Duluth Hornets tallied a lone goal in the overtime session, and defeated Minneapolis 1-0 in an American Hockey League fixture last night.

Detroit, Jan. 11.—Detroit Olympia vaulted into undisputed possession of first place in the Canadian Hockey League here last night by defeating Toronto Ravinas 3-1.

Fort William, Ont. Jan. 11.—With an excellent display of combination play which gave them an edge throughout the match, Fort William defeated Brandon 8-1 in an inter-provincial hockey game here last night.

O.H.A. results last night were as follows: Junior Preston 5, Guelph 4.

Intermediate Jordan 2, Brantford 1.

Junior-Sault Ste. Marie 7, North Bay 5.

Intermediate-Tavistock 2, Stratford 1.

## TO-DAY'S GRAIN MARKETS

By Branson, Brown & Co. Ltd.  
Winnipeg, Jan. 11.—Wheat: The wheat displayed a somewhat better tone today. Opening prices were about unchanged but declined fractionally with a little further liquidation in evidence, but there was sufficient buying power to hold the market, and later shorts were covering and all the time there was some buying by seaboard houses, resulting in a price recovery of 1 cent from the early dips. The spreading to-day was largely buying the October against sales at Chicago, and a little selling of May and buying Winnipeg July, and the spread narrowed between these two months.

European requirements are understood not to be large but North America supplies are ample and foreigners are not aggressive buyers. Until they begin to take wheat more freely, then it will be impossible to hold rallies and that there will be very little to the bull side of wheat until later on when we enter the usual crop scare period on the winter wheat.

Liverpool closed 1/2 lower fairly well following our decline yesterday. B.A. holds steady with a good continental demand and some rains reported. Export business is good for shipment out of Vancouver. Canadian wheat now at an American and Canadian ports in position for quick shipment. There was a little better demand for cash wheat to-day, millers being in the market and also terminals. Spreads were unchanged to 1/2 cent better, offerings being small.

Coarse grains—These markets were all strong and higher to-day. There was a good demand for oats and some export business working in barley. Rye was dull but this market followed the trend of wheat. Offerings were light. There was also a little short covering. Oats closed 1/2 to 3/4 up, barley 1/2 to 1 cent higher, and rye about one cent higher. Flax this market was also strong especially in a deferred futures in anticipation of a decrease in acreage this year. Friendly to this market and while crushers are not showing much in to offerings are very scarce.

(By B.C. Bond Corporation direct wire)  
Chicago, Jan. 11.—Wheat market was lower on scattered selling and but good support was encountered on the break which absorbed the offerings and when shorts attempted to cover later they were forced to bid back. Strength in corn had some effect on local sentiment and an over-sold condition was disclosed on the way down.

There was a better demand for Red Winter wheat with bids of 7 cents over May for No. 2 grades in store and spot premiums were 2 to 3 cents higher. Export demand at the seaboard was reported as somewhat better, but sales were not large. Red weather reports continue to cover and to bid back. Kansas. We still favor sales of wheat.

Corn: There was rather general selling of corn at the outset and price declines around 1 cent under the previous close. There was a good class of buying on the breaks, however, and a better cash demand report caused shorts to cover freely. We are still bearish on corn.

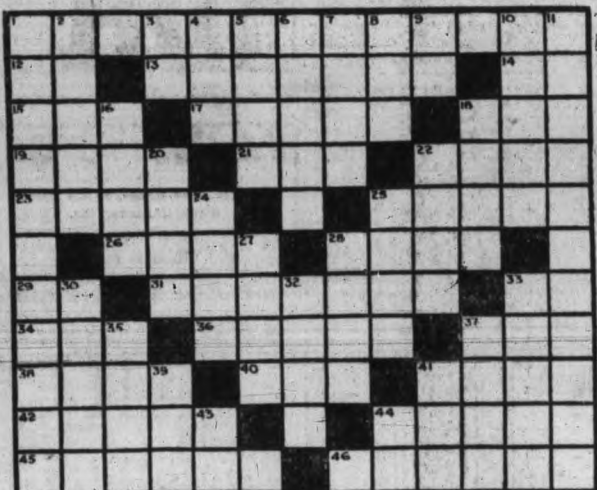

Liverpool due 1/2 to 3/4 higher

## THE KNYMITE

STORY BY HAL COCHRAN — PICTURES BY KNICK

(READ THE STORY, THEN COLOR THE PICTURE)

Jack Frost then disappeared from sight, and Scouty said, "Well, all's all right. Let's walk right through this doorway and explore the underground. Of course it's dark as it can be, and I don't see how we can see. I think 'twould help us if a little flashlight could be found."

Just then Jack Frost appeared again. Said he, "I have one for you men. You'll find 'twill give you lots of light, and help you find your way. Just press the little button tight, and out will come the brilliant light. Don't waste the light, however, 'cause this wasn't made for play."

So Scouty took the light in hand and said, "I think I understand just how to use it. Don't you fret. I will not waste one bit." Jack snapped, "All right, it's up to you." And then he ran right out of view. Then Scouty pressed

way. Then Copy stopped and said, "Say, we've walked far enough for now. I've got to get some sleep some-how. Let's flop down on this tunnel floor. I wish we had a bed."

So, down they settled, one and all, to rest against the tunnel wall. "Good night," said Scouty. "When we awake, we'll trudge along some more." And so the bunch fell fast asleep. For hours and hours they didn't peep. Each Tiny dreamed about the fun they all hoped was in store.

## To-morrow's Horoscope

THURSDAY, JANUARY 12, 1928

This is rather an uncertain day, according to astrology, which reads in the configuration certain menacing aspects.

It is an unfavorable rule for all branches of speculation, but there will be great temptation to try one's luck. Sudden fluctuations in the stock

market, prospects quick rises in real estate values and new oil discoveries will lure many to heavy losses, it is forecast.

Advertising continues subject to the most promising rule, making for immense gains and great profits. Art will enter into the crying of wares as never before, the seers foretell and they predict benefits to painters.

Changes in the form of character of magazines are indicated and printing

will be one of the arts that engross special attention.

There is an auspicious sign for writers of every class. Books that are worth while again are promised from American authors.

There should be care about traveling to-day when the stars frown on those who go to sea.

Accidents to passengers on airplanes as well as ocean liners are prophesied

for this winter, which may bring many disasters.

Extremes of fortune may be expected as 1928 advances, for there are to be new fortunes accumulated, while heavy losses are sustained in certain quarters.

Mexico is likely to have some sort of spectacular revolution next summer and meanwhile will continue to have numerous difficulties, political and economic.

Jupiter, now Ireland's ruling sign, presages increase of trade and pros-

perity. The Free State is under an encouraging direction of the stars.

Persons whose birthdate it is have the augury of great adventures in the coming year, but they should be careful.

Children born on this day probably will be inordinately ambitious and restless. Subjects of this sign are capable of big achievements.

The cards committee is composed of Mrs. Service, Mrs. Walter Peddle, Mrs. Champion and William Peddle.

Centre at the annual meeting held last night. In the year's reports it was shown the centre had experienced twelve months of prosperity, a great number of improvements having been carried out.

Officers elected for the year were as follows: Walter Peddle as president; A. C. McCallum, vice-president; M. Knowlton, secretary; board of directors, Mrs. Service, A. McCallum and H. Borden.

The building committee will be Mrs. Peddle, A. McCallum, H. and F. Borden, W. Webster, Lingham and William Peddle.

The social committee is composed of Messrs. McCallum, Mercer, Walter Peddle, Webster, Knowlton and H. Borden. Messdames Webster, Mercer, McCallum, Kirkham, Walter Peddle and Miss Borden.

The cards committee is composed of Mrs. Service, Mrs. Walter Peddle, Mrs. Champion and William Peddle.

## 16,753 PEOPLE VISITED BUREAU

Much Information Given Out  
By Publicity Bureau During  
Year

An idea of the vast amount of work carried out by the employees of the Victoria and Island Publicity Bureau during twelve months is gained through figures for last year, released this morning.

During 1927 no less than 16,753 people called personally at the bureau office, located in the Belmont Building, for information. A great number of these were tourists from various parts of the world, while many of the visitors were citizens seeking information.

A great deal of information is also given out over the telephone as evidenced by the fact that 4,777 phone calls were received last year at the bureau.

The bureau received and answered hundreds of letters from people intending to settle on Vancouver Island. When these letters were mailed out the intending residents would also be sent a number of the folders advertising Victoria and Vancouver Island.

The Peace River District, a land of almost immeasurable potentialities, with room for millions of citizens, has not lacked for publicity in the southern coast cities of British Columbia, which hope in the not distant future to be linked with it by railway.

The growing volume of discussion of its present and future also has attracted the attention of the newspapers of Eastern Canada, with the result that the people there are now almost as well informed regarding the northern region as British Columbia and prairie dwellers. Now comes The Grande Prairie Herald, a stout champion of transportation and other demands of the district, with a special issue which demonstrates to the friends and supporters of the Peace region elsewhere that it is sharing to the maximum of its powers in the campaign they so heartily desire to see succeed.

In addition to the general news of the district of Grande Prairie, a special edition is devoted to the Clairmont, Wembley and Sexsmith sections, the resources and development of the first two being set forth in lucidly written articles.

LEADS IN WHEAT

Of the town and district of Clairmont, Ernest V. Bergin, who formerly was a resident of Victoria and is now a Clairmont citizen, writes: "Clairmont may truthfully be termed the hub of the great wheat belt of the Peace River district, as it can claim to have shipped more wheat (not coarse grain) than any other point along the railroad, being exceeded only by a small margin in general grain shipping. It is situated between the Twin Lakes, which form a fertile valley, rich in productivity and possessing a landscape of unequalled beauty and prosperity."

Five of the largest elevators in that part of the Peace River district are at Clairmont and they are continuously busy. Clairmont is on the Edmonton, Dunvegan and British Columbia Railway, twenty-one miles from the end of steel.

The Grande Prairie Herald, a weekly, which in this issue reiterates its declaration that it looks to "the future of this great country with faith in its resources and faith in its people," describes itself as "the only paper printed in the North Country south of the Peace."

TORONTO DEATH

Toronto, Jan. 11.—Following an illness of four days, Horace A. Bell, an editorial writer of The Toronto Globe, died yesterday in a hospital. He was fifty-six years of age.

The Creole society of the early nineteenth century in New Orleans was decidedly elite and the costumes of the period, First Empire in design, were exceptionally attractive. Examples of these are seen in "The Love Mart," the romantic story of New Orleans in the days of slave running and piratical exploits along the Gulf of Mexico, now showing at the Capitol Theatre. The picture was produced for First National by George Fitzmaurice, with Billie Dove, Gilbert Roland and Noah Beery in the leading roles.

The Capitol vaudettes for the week in addition to the fine bill of pictures, offers the Dublin operatic duo, harmony singers de luxe, in a revue of the popular opera arias and George and Florence, two dainty dancers, in a novelty dance presentation; another artist who appears this week at the Capitol, and going over big, is Richard Staunton, a tenor soloist, with a rare voice and tonal quality. Mr. Staunton is singing several popular compositions so well-known to the music loving public.

Maker of Violins

Goes From U.S. to  
Europe For Wood

New York, Jan. 11.—Nicholas Vasich, a young violin maker, who was "dis-

covered" a year ago in Seattle by Mischa Elman, has sailed for France to begin a six-month search among old cathedrals and churches of France and Germany for the finest violin woods money can buy. When he returns Vasich will convert this material into a quartette, consisting of two violins, a viola and a cello, for Elman.

Vasich said here he expected to find most of the wood he wanted in old organs. Wood for the violins is already at hand, and he has tentatively located several pieces suitable for the other instruments in an organ installed in the church of a French municipality more than 300 years ago.

Upon his return Mr. Vasich will set up a shop in New York to make the instruments. Though he has built up a reputation for his shop in Seattle, he has been advised by Mr. Elman and other violinists to settle here permanently, and may do so.

The violin maker is thirty-six years old. He was born in Bosnia-Herzegovina of Serbian stock, and he began making violins at the age of sixteen. Two years later he left his native country for Vienna. Then he drifted to Switzerland, to Schönbach, in Czechoslovakia, and finally to Germany, where he made violins in Hamburg and Berlin.

At the start of the war in 1914 he was in Berlin and fled to Russia. Finally he got to Shanghai and then to Seattle in 1920. He immediately set up a shop in Seattle, but found its people were little interested in his instruments. It was not until Mischa Elman, late in 1926, tested one of his instruments and called him a genius that he became known in this country.

## AT THE THEATRES

MAY McAVOY STARS  
IN FILM SHOWING AT  
PLAYHOUSE THIS WEEK

May McAvoy, signed to a long term contract by Warner Bros., has, as her first starring picture "Matinee Ladies," now showing at the Playhouse Theatre. Miss McAvoy came into prominence through her interpretation of Orizel in "Sentimental Tommy" and won fame in two Warner pictures—"Three Women" and "Lady Windermere's Fan." Her other pictures included "Ben Hur," "The Enchanted Cottage," "Grumpy," "Clarence," "Kick In," "A Private Scandal," "Everything for Sale," "A Home-Run Vamp," "Morals," "Through a Glass Window," "Top of New York," "A Virginia Courtship," "Her Reputation," "Phil-for-short," and "Tessie."

Miss McAvoy's cameo-like beauty and charming personality, are shown to excellent advantage in "Matinee Ladies," in which she appears as a cabaret cigarette girl in love with a dancing man (Malcolm McGregor).

"SHIPWRECKED" IS  
DRAMATIC PICTURE  
AT THE COLUMBIA

Said to be one of the most remarkable photoplay productions of the current screen season, "Shipwrecked," a new Metropolitan picture, is being displayed at the Columbia Theatre to-day.

Seena Owen and Joseph Schildkraut are featured in the leading roles. Many of the scenes were photographed aboard a clipper ship caught in a hurricane off the California coast and at times the production unit was in imminent danger until rescue came. The story is dramatic, thrilling and the action swift.

COSSACK DUEL IS  
THRILLING SCENE  
IN VARIETY FILM

A Cossack duel—a highly thrilling and extremely dangerous pastime invented by the former soldiers of the czar—provides a spectacular and dramatic scene in "The Tender Hour," the George Fitzmaurice production at the Variety Theatre here.

"Hills of Peril" is a thrilling drama of a good-sized man played by Buck Jones, and is said to be jammed with action and suspense. The backgrounds are the beautiful cloud-capped mountains of California. Georgia Hale has the leading female role. Now showing at the Variety.

"MOCKERY" IS WEIRD  
SCREEN PLAY WITH  
LON CHANEY AS STAR

Screen audiences have furnished Lon Chaney the material for some of his strangest disguises and, by an odd paradox, the characters that draw audiences to theatres to see his new delineations are really characters born of those same audiences.

This is an odd little secret that Chaney disclosed during the filming of "Mockery," his weird new Metro-Goldwyn-Mayer starring vehicle now playing at the Dominion Theatre. In this picture he wears one of the strangest disguises as a oldlike Moujik or Russian peasant, thrust through a trick of fate into the red midst of the revolution.

"I got him in a little Russian theatre," said Chaney, explaining how he conceived the idea for the strange peasant's makeup he wears in the new picture.

CREOLE INDIAN  
FASHIONS SHOWN  
IN "LOVE MART"

The Creole society of the early nineteenth century in New Orleans was decidedly elite and the costumes of the period, First Empire in design, were exceptionally attractive. Examples of these are seen in "The Love Mart," the romantic story of New Orleans in the days of slave running and piratical exploits along the Gulf of Mexico, now showing at the Capitol Theatre.
